

Dear Graduate Students,

Are you studying Saturn? Doing research in Suriname? You can find funding below. This month I have a section for opportunities exclusive to the UA since some wonderful on-campus opportunities, including the Tinker, Confluentcenter fellowships, and the UA/NASA Space Grants, have upcoming deadlines;. Also, if you are still solidifying your summer plans, have a look below; I have included a number of internships and awards for Summer 2017. Even though the big fellowships usually have fall deadlines, you will find a lot of wonderful opportunities in the spring. See below for more!

Opportunities Internal to the UA

- Confluentcenter Graduate Fellowships
- Foreign Language and Area Studies (FLAS) in Middle Eastern Studies
- Tinker Field Research Grants for Research in Latin America
- UA Grad Slam
- UA/NASA Space Grant Graduate Fellowships

General Opportunities

- Aga Khan Foundation for International Students
- Civil Society Scholar Awards for International Academic Mobility
- Mathematica Policy Research Summer Fellowships
- Norway-American Association
- Organization of American States – Rowe Fund Interest Free Loans
- Resources for the Future Doctoral Dissertation Fellowships and Summer Internships
- Property and Environmental Research Center Fellowships
- Social Security Administration (SSA) Analyzing Relationships between Disability, Rehabilitation and Work (ARDRAW) Small Grant Program

Opportunities in the Arts/Humanities/Social Sciences

- American Philosophical Society Library Resident Research Fellowship
- Charles Redd Center for Western Studies – various fellowships and awards
- Dan David Doctoral Prize - Literature
- Fahs-Beck Fund for Research and Experimentation in Human Services (Dissertation and Postdoctoral)
- Gerald P Ford Scholar Award
- Humanities Institute Environmental Humanities Fellowship Program - New York Botanical Gardens
- Institute for Humane Studies PhD Scholarships
- Lemmermann Foundation Scholarship Award
- Ucross Foundation Artist in Residence Program

- Women's Studio Workshop Internships

Opportunities in Science, Technology, Engineering, and Math

- American Geological Society (AGS) Summer/Fall Semester Internship in Public Policy
- American Water Resources Association – Richard A. Herbert Memorial Scholarship
- Argonne National Laboratory Thesis-Part Appointments
- Arizona Hydrological Society Scholarships
- Idaho National Laboratory (INL) Graduate Internships
- Society of Women Engineers Scholarships
- Southern Arizona Environmental Management Society Scholarships
- World Wildlife Fund – Russell E. Train Fellowships for International Students

Postdoctoral Positions

- American Council of Learned Societies Public Fellows
- Analytical Chemistry/Chemical Engineering Fellowship - CDC
- Army Research Laboratory (ARL) Distinguished Postdoctoral Fellowships
- National Aeronautics & Space Administration (NASA) Postdoctoral Fellowship
- United Nations University Institute of Advanced Study of Sustainability

Opportunities Internal to the UA

Confluencer Graduate Fellowships

Confluencer Graduate Fellowships support individual graduate students from the Colleges of Fine Arts, Humanities and Social Behavioral Sciences with creative interdisciplinary research projects. Graduate Fellowships are one-time awards for individual applicants. Applicants should propose activities that can be completed within one academic year. Fellowships are awarded as two separate deposits into student bursar accounts: \$2,500 in August, and \$2,500 in December. Projects must be finished by July 2018.

Citizenship: Unrestricted

Deadline: February 17, 2017

Website: <http://confluencer.arizona.edu/graduate-fellowships>

Foreign Language and Area Studies (FLAS) in Middle Eastern Studies

Foreign Language and Area Studies (FLAS) Academic Year and Summer fellowships are awarded annually in Arabic, Hebrew, Persian, and Turkish to undergraduate and graduate students at The University of Arizona in any program/department who are pursuing Middle Eastern language and area studies. Funding is provided by the US Department of Education and awards are made through CMES.

Citizenship: Unspecified

Deadline: February 20, 2017

Website: <https://cmes.arizona.edu/flas>

Tinker Field Research Grants

The Center for Latin American Studies is pleased to announce the 2017 Tinker Grant competition for summer fieldwork in Latin America for Master's and PhD students. The Tinker Foundation supports travel expenses for master's and pre-dissertation fieldwork in Spanish/Portuguese-speaking Latin American or Caribbean countries during Summer 2017 (May through August).

Citizenship: Unrestricted

Deadline: March 10, 2017

Website: <http://las.arizona.edu/tinker>

UA Grad Slam

Grad Slam is a campus-wide competition for the best 3-minute talk about student research and discovery. All disciplines are encouraged to participate. Presenters will be evaluated on their ability to convey in a compelling fashion the value of their research or creative work to a non-specialist audience within the 3-minute time limit. Awards from \$1000 to \$3000.

Citizenship: Unrestricted

Deadline: February 10

Website: <http://gradcenter.arizona.edu/ua-grad-slam>

UA/NASA Space Grant Graduate Fellowships

The UA/NASA Space Grant Program and nominating departments provide six graduate fellowships per year to exceptional graduate students interested in promoting the understanding of space-related research to the public and who are studying in space sciences/engineering, public policy, earth sciences, science education, and global change-related fields. The fellowship, co-sponsored by UA/NASA Space Grant and the applicant's nominating Department, includes a stipend of \$16,000 for one or two years, both in- and out-of-state fee/tuition waivers, student health insurance, and \$750/year for travel to professional meetings. Space Grant fellows are required to complete an educational outreach project as part of their fellowship.

Citizenship: U.S.A.

Deadline: March 20, 2017

Website: <https://spacegrant.arizona.edu/opportunities/fellowships>

General Opportunities

Aga Khan Foundation for International Students

Students from Bangladesh, India, Pakistan, Afghanistan, Tajikistan, Syria, Egypt, Kenya, Tanzania, Uganda, Mozambique, Madagascar, France, Portugal, UK, USA and Canada may be eligible for funding from the Aga Khan Foundation. A limited number of scholarships are provided each year to outstanding students from developing countries with no other means of financing their studies. Scholarships are awarded on a 50% grant, 50% loan basis through a competitive application process once a year in June or July. The Foundation gives priority to requests for Master's level courses but is also willing to consider applications for PhD programs, when doctoral degrees are necessary for the career objectives of the student.

Citizenship: Bangladesh, India, Pakistan, Afghanistan, Tajikistan, Syria, Egypt, Kenya, Tanzania, Uganda, Mozambique, Madagascar, France, Portugal, UK, USA and Canada
Deadline: Around March 13 (see website)

Link: http://www.akdn.org/akf_scholarships.asp

Civil Society Scholar Awards for International Academic Mobility

The Civil Society Scholar Awards (CSSA) support international academic mobility to enable doctoral students and university faculty to access resources that enrich socially engaged research and critical scholarship in their home country or region. The awards support activities such as fieldwork (data collection); research visits to libraries, archives, or universities; course/curriculum development; and international collaborations leading to a peer-reviewed publication.

Citizenship: Afghanistan, Albania, Angola, Azerbaijan, Belarus, Bosnia and Herzegovina, Cambodia, Democratic Republic of Congo, Republic of Congo, Egypt, Equatorial Guinea, Eritrea, Ethiopia, Guinea, Haiti, Kosovo, Laos, Libya, Macedonia, Moldova, Mongolia, Myanmar/Burma, Nepal, Palestine, Papua New Guinea, Serbia, Sudan, South Sudan, Syria, Swaziland, Tajikistan, Tunisia, Turkmenistan, Uzbekistan, or Yemen.

Deadline: March 31, 2017

Website: <https://www.opensocietyfoundations.org/grants/civil-society-scholar-awards-20170123>

Mathematica Policy Research Summer Fellowships

The Summer Fellowship Program at Mathematica Policy Research welcomes doctoral students to spend 12 weeks at one of Mathematica's six office locations. Fellows will work on their own independent research project, which will intersect with one or more of Mathematica's focus areas: Data analytics, Disability, Early childhood, Education, Employment, Environment, Family support, Health, International development, Nutrition. Fellows will be mentored by senior staff, learn about Mathematica and its work, and have the opportunity to shadow Mathematica staff members working on research projects and proposals. At the conclusion of the fellowship, fellows will present a seminar on their research project. Each fellow will receive a stipend of \$10,000, plus \$500 in project related expenses.

Citizenship: Unspecified

Deadline: February 17, 2017

Website: <https://www.mathematica-mpr.com/career-opportunities/summer-fellowships>

Norway-American Association

The purpose of the scholarships is to provide financial support for Americans to study in Norway. By supporting post-graduate study or research in areas of mutual importance to Norway and the United States we hope to bring the two countries closer. By awarding scholarships to American students or researchers, knowledge and understanding will increase, and it will strengthen the ties of friendship between the two countries. Fellowships are offered to Americans and Norwegians for a year of graduate, post-doctoral, or professional study/research.

Citizenship: USA

Deadline: April 1, 2017

Website: <http://noram.no/en/scholarship-americans/>

Organization of American States – Rowe Fund Interest Free Loans

The Rowe Fund is an educational loan program of the Organization of American States (OAS) that helps citizens from Latin America and Caribbean OAS Member States finance their studies or research in accredited universities across the United States by awarding interest-free loans of up to \$15,000 dollars. By financing a portion of their studies in the United States, the Rowe Fund helps students complete their education while at the same time fostering cultural diversity, friendship, and communication among the people of the Americas.

Citizenship: Must be a citizen of an OAS Member State (see website)

Deadline: rolling

Website: <http://www.oas.org/en/rowefund/>

Resources for the Future Doctoral Dissertation Fellowships and Summer Internships

RFF's mission is to improve environmental and natural resource policymaking worldwide through objective social science research of the highest caliber. In honor of former RFF President Joseph L. Fisher, RFF awards academic fellowships in support of doctoral dissertation research on issues related to the environment, natural resources, or energy. For the 2017–2018 academic year, the fellowship carries a stipend of \$18,000, which is intended to be a student's principal source of support.

RFF offers summer internships for outstanding undergraduate and graduate students. Each intern can expect to work with one or more RFF researcher on a variety of ongoing projects or assist in the development of entirely new areas of research and policy analysis.

Deadline: February 28, 2017 (March 3 for summer internships)

Website: <http://www.rff.org/about/academic-fellowships-and-internships>

Property and Environmental Research Center Fellowships

PERC's fellowships for graduate students and law students offer the ideal opportunity for those who are interested in researching issues related to natural resources and the environment.

Graduate fellows spend three months at PERC in Bozeman, Montana, researching and writing a paper under the supervision of a PERC senior fellow. While at PERC, fellows are required to present two workshops to outline, report on, and summarize their research findings. A paper of publishable quality is the expected result.

Citizenship: Unrestricted

Deadline: March 15 (also a summer and fall deadline)

Website: <http://perc.org/fellowships/graduate-fellows>

Social Security Administration (SSA) Analyzing Relationships between Disability, Rehabilitation and Work (ARDRAW) Small Grant Program

The Social Security Administration (SSA) is granting graduate students \$10,000 stipends to research work, rehabilitation and disability issues through the ARDRAW Small Grant Program.

The objective of the Analyzing Relationships between Disability, Rehabilitation and Work (ARDRAW) Small Grant Program is to foster new analysis of work, rehabilitation, and disability issues, which may develop innovative and fresh perspectives on disability by providing research

stipends to a broad spectrum of graduate students. ARDRAW replaces the 5-year grant called the Disability Determination Process Small Grant Program, with a new focus on research relevant to SSA's work incentives and employment support - specifically rehabilitation, work and the disability program.

Citizenship: U.S. citizens, nationals, or permanent residents

Deadline: March 2, 2017

Charles Redd Center for Western Studies – various fellowships and awards

The mission of the Charles Redd Center for Western Studies is to promote the study of the Intermountain West by sponsoring research, publication, teaching, and public programs in a variety of academic disciplines including history, geography, sociology, anthropology, politics, economics, literature, art, folklore, range science, forestry, biology, and popular culture. The center offers a variety of awards, fellowships, and grants. These include funding for research in women's history, for study in special collections, and summer awards for graduate students.

Citizenship: open to international students

Deadline: March 15

Website: <https://reddcenter.byu.edu/Pages/AboutOurAwards.aspx>

Dan David Doctoral Prize - Literature

Scholarships support interdisciplinary research that cuts across traditional boundaries and paradigms. The Prize aims to foster universal values of excellence, creativity, justice, democracy and progress and to promote the scientific, technological and humanistic achievements that advance and improve the world. The scholarship offers support for one year. The Dan David Prize laureates annually donate twenty scholarships of US\$15,000 each to outstanding doctoral students and postdoctoral researchers of exceptional promise in the chosen fields for the current year.

citizenship: Unrestricted

Deadline: March 10, 2017

Website: <http://www.dandavidprize.org/scholarship-applications>

Fahs-Beck Fund for Research and Experimentation in Human Services (Dissertation and Postdoctoral)

Grants of up to \$5,000 are available to help support dissertation expenses of doctoral students in the United States and Canada whose studies have the potential for adding significantly to knowledge about problems in the functioning or well being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems. Grants of up to \$20,000 are available to help support the research of faculty members or post-doctoral researchers affiliated with non-profit human service organizations in the United States and Canada. The research for which funding is requested must focus on the United States or Canada or on a comparison between the United States or Canada and one or more other countries.

Citizenship: Unrestricted

Deadline: April 1 and November 1

Website: http://www.fahsbeckfund.org/grant_programs.html

Gerald P Ford Scholar Award

The Gerald R. Ford Scholar Award in Honor of Robert M. Teeter is an annual award of \$5000 given to a doctoral student to support dissertation research and writing on an aspect of the United States political process and public policy, broadly defined. The Selection Committee will consider research in any field related to the study of the United States political process and public policy, broadly defined, during the last half of the 20th century. Of special interest is the role and analysis of public opinion in that process. Doctoral students in Political Science, History, Journalism, Communications, Public Policy, Foreign Relations, or American Studies are encouraged to apply.

Citizenship: Unspecified

Deadline: March 31

Website: <http://www.fordlibrarymuseum.gov/library/fsa.asp>

Humanities Institute Environmental Humanities Fellowship Program - New York Botanical Gardens

The Humanities Institute offers various research fellowships, including a full-time, residential Andrew W. Mellon Fellowship for 2017 for current Ph.D. students or recent post-doctoral researchers, and a Junior Mellon Fellowship, for advanced undergraduate and graduate students for the summer of 2017. Candidates are invited to submit a proposal for independent study in the environmental humanities. Fellows will conduct research that involves interdisciplinary approaches to areas such as landscape and garden design; urban planning and social history; cultural anthropology; the history and philosophy of botany; botanical exploration, botanical arts and illustration, with a primary focus on areas of inquiry that connect nature to the human experience.

Website: <http://www.nybg.org/education/mertz-library/humanities/fellowship.php>

Institute for Humane Studies PhD Scholarships

Each year IHS awards PhD Scholarships to applicants intending careers in higher education or other academic pursuits whose work advances the principles of individual liberty and economic freedom. Preference is given to applicants doing work in the humanities and social sciences,

particularly economics, history, philosophy, and political science. Applicants for the IHS PhD Scholarship must demonstrate research interest in the area of individual and economic freedom and its impact on societies and culture as well as a strong overall academic record.

Citizenship: Unspecified

Deadline: February 28, 2017

Website: <https://theihs.org/funding/ihs-phd-scholarship/>

Lemmermann Foundation Scholarship Award

The Lemmermann Foundation offers scholarships in the classical studies and humanities to master's and doctoral students. Topic of research must be related to Rome and the Roman culture of any period, from the Pre-Roman period to the present day time. Applicants must provide evidence for their need to study and carry out research in Rome.

Citizenship: must be enrolled in a recognized university program and have a basic knowledge of the Italian language

Deadline: March 15, 2017

Website: <http://www.nexus.it/lemmermann/>

Ucross Foundation Artist in Residence Program

Artists, writers and composers from around the United States and the world, in all stages of their professional careers, are invited to apply to work on individual or collaborative projects.

Applications are also welcome from those writing about the arts, and from individuals working in the natural sciences.

Citizenship: Unspecified

Deadline: March 1 and October 1

Website: <http://www.ucrossfoundation.org/residency-program/apply/>

Women's Studio Workshop Internships

The Women's Studio Workshop provides the following opportunities: studio internships, art administration internship, summer internship, and ceramics internship. Since 1983, Women's Studio Workshop's Internship Program has been providing young artists with the opportunity to learn first-hand how women can manage productive, successful careers as professional artists. WSW interns learn techniques for developing their work, build various computer and studio-based skills, and are introduced to methods of gaining funding and exhibition opportunities. Interns also learn about the management of a renowned arts organization.

Citizenship: unspecified

Deadline: varied

Opportunities in Science, Technology, Engineering, and Math

American Geological Society (AGS) Summer/Fall Semester Internship in Public Policy

AGI seeks outstanding geoscience students with a strong interest in federal science policy for a semester-long internship in geoscience and public policy in the Government Affairs Program.

Representing the geoscience community in Washington, DC, the program actively works with Congress and federal agencies to foster sound public policy in areas that affect geoscientists, including water, energy, and mineral resources; geologic hazards; environmental protection; and federal funding for geoscience research and education. Interns will gain a first-hand understanding of the legislative process and the operation of executive branch agencies.

Citizenship: U.S. citizen

Deadline: March 15 and April 15

Website: <http://www.agiweb.org/gap/interns/internfa.html>

American Water Resources Association – Richard A. Herbert Memorial Scholarship

In 1980, AWRA established the Endowment-Memorial Fund to be used for the enhancement of education in water resources. The fund has since been renamed the Richard A. Herbert Memorial Educational Fund to honor Richard A. Herbert -- a champion for water resources education -- who passed away in 1994. At least one \$2,000 scholarship will also be awarded to a full-time graduate student enrolled in a program relating to water resources for the 2017-2018 academic year. The scholarship will be awarded to the student most qualified by academic performance. Measures of academic performance include the cumulative grade point average, relevance of the student's curriculum to water resources, and leadership in extracurricular activities related to water resources.

Citizenship: Unspecified

Deadline: April 22, 2017

Website: <http://www.awra.org/about/scholarships>

Argonne National Laboratory Thesis-Part Appointments

Thesis-Parts Appointments support qualified graduate students who wish to visit Argonne for periods from a few days to a few months, so that they may utilize special Laboratory facilities. Financial support, consisting of travel, housing, and a per diem payment, may be provided to help defray the cost of visiting Argonne. Student is required to have a health insurance policy in force while at Argonne.

Deadline: open

Website: <http://www.anl.gov/education/graduates>

Arizona Hydrological Society Scholarships

AHS will award three \$2,000 scholarships for the academic year. The purpose of the award is to encourage full-time students in hydrology, hydrogeology, or other water resources related field at an Arizona university or college to excel in their area of study. Any junior, senior, or graduate student who fits into this category is qualified to apply.

Citizenship: Unspecified

Deadline: April 28, 2017

Website: <http://azhydrosoc.org/for-students/student-scholarships/>

Idaho National Laboratory (INL) Graduate Internships

Graduate internships are awarded to qualified master's and doctoral degree candidates in science, mathematics, engineering, and technology or other relevant areas. INL offers a unique opportunity to learn, collaborate, innovate and conduct research with top researchers and professionals in the following areas: Nuclear Energy, Energy and Environment, and National and Homeland Security. Graduate internships can last from eight weeks to three years and may be awarded any time through the year. Graduate pay varies depending on whether the internship is based at a college or university or at INL.

Citizenship: Unspecified

Deadline: See website

Website: <https://www.inl.gov/inl-initiatives/education/graduate-internships/>

Society of Women Engineers Scholarships

The SWE Scholarship Program provides financial assistance to women admitted to accredited baccalaureate or graduate programs, in preparation for careers in engineering, engineering technology and computer science. The reentry scholarships were established to assist women in obtaining the credentials necessary to reenter the workforce as engineers. The non-traditional scholarships were established to assist women to return to school to obtain an engineering degree. There are over 70 named scholarships available for study within engineering.

Eligibility: U.S. Citizen or resident

Deadline: February 15

Website: <http://societyofwomenengineers.swe.org/index.php/scholarships>

Southern Arizona Environmental Management Society Scholarships

To encourage students planning to work on solutions to environmental problems each spring SAEMS awards scholarships to students pursuing a career in an environmental field. Awards take into account a combination of merit and need, and will be accepted for tuition/fees, books/materials, and/or research/travel/training/project funding for amounts between \$500 to \$4,000 per student (\$10,000 in scholarship awards available). Honorable Mention interviewees are also provided a SAEMS membership to encourage their continued academic and professional growth through interaction with other environmental professionals. Contact B.J. Cordova, (520) 481-3223 or bcordova26@gmail.com for assistance.

Eligibility: Unspecified

Deadline: March 26, 2017

Website: http://www.saems.org/scholarships_frameset.htm

World Wildlife Fund – Russell E. Train Fellowships for International Students

Russell E. Train Fellowships support individuals pursuing a master's or doctoral degree in conservation. Each year, WWF supports committed conservationists from target countries to receive financial support for their studies and field research. Applicants can apply to attend any university around the world and must return to their home countries to work in conservation for at least two years after completing their degree.

Deadline: March 1, 2017

Citizenship: Varies by position (see website)

Website: <http://www.worldwildlife.org/projects/russell-e-train-fellowships>

Postdoctoral Positions

American Council of Learned Societies Public Fellows

This program aims to expand the role of doctoral education in the United States by demonstrating that the capacities developed in the advanced study of the humanities have wide application, both within and beyond the academy. The ACLS Public Fellows program allows PhDs to gain valuable, career-building experience in fields such as public policy, development, conservation, arts and culture, and digital media. This year, the program will place up to 21 recent PhDs from the humanities and humanistic social sciences in two-year staff positions at partnering organizations in government and the nonprofit sector. Fellows will participate in the substantive work of these organizations and receive professional mentoring. Fellows receive a stipend of \$65,000 per year, with individual health insurance and up to \$3,000 to be used toward professional development activities over the course of the fellowship term.

Eligibility: U.S. Citizen or permanent resident

Deadline: March 22, 2017

Website: <http://www.acls.org/programs/publicfellowscomp/>

Analytical Chemistry/Chemical Engineering Fellowship - CDC

A fellowship opportunity is currently available with the National Institute for Occupational Safety and Health (NIOSH) at the Centers for Disease Control and Prevention (CDC) in Cincinnati, Ohio. This program, administered by ORAU through its contract with the U.S. Department of Energy to manage the Oak Ridge Institute for Science and Education, was established through an interagency agreement between DOE and CDC. The initial appointment is for one year, but may be renewed upon recommendation of CDC contingent on the availability of funds. The participants will receive a monthly stipend commensurate with education level and experience.

Army Research Laboratory (ARL) Distinguished Postdoctoral Fellowships

The Army Research Laboratory (ARL) invites exceptional young researchers to apply for the ARL Distinguished Postdoctoral Fellowship. This fellowship provides recipients the opportunity to pursue independent research while working alongside some of the nation's best scientists and engineers. Applicants must have completed all the requirements for a Ph.D. or Sc.D. degree in the physical sciences, life sciences, computational sciences, behavioral sciences, or engineering and must be within three years from the date of their degree at the time of application. Selected fellows must pass a Department of Defense clearance process, requiring a background security investigation. Applicants must demonstrate exceptional qualifications with respect to academic and scholarly achievement, as evidenced by research and publication.

Citizenship: Unspecified

Deadline: May 1

Website: <http://sites.nationalacademies.org/PGA/Fellowships/ARL/index.htm>

National Aeronautics & Space Administration (NASA) Postdoctoral Fellowship

Fellowships offer postdoctoral research opportunities in earth science, heliophysics, planetary science, astrophysics, space bioscience, aeronautics and engineering, human exploration and space operations, and astrobiology. Fellows participate in NASA mission-related activities as guests at NASA Centers, Headquarters, and other NASA-approved sites. Each Fellowship is tied to a specific research opportunity located at a NASA Center. The fellow must relocate to the Center for the duration of the fellowship. In the case of virtual Centers such as the NASA Astrobiology Institute, the fellow must relocate to the university location of the advisor listed on the research opportunity. The fellowships are for 1-3 years.

Citizenship: U.S. citizenship, Lawful Permanent Resident (LPR) status, or the Exchange Visitor J-1 Visa (research scholar only) before beginning the fellowship.

Deadline: March 1, 2017

Website: <https://npp.usra.edu/>

United Nations University Institute of Advanced Study of Sustainability

UNU offers PhD and Postdoctoral Fellowships to provide young scholars and policymakers, especially from the developing world, with a multidisciplinary context within which to pursue advanced research and training that are of professional interest to the successful applicant and of direct relevance to the research agenda of their selected UNU-IAS or UNU Centre for Policy Research (UNU-CPR) programme. The Fellowship Programmes provide the successful applicant with a unique opportunity to develop and advance their research under the supervision of a UNU-IAS or UNU-CPR faculty member and contribute to the overall research agenda of the Institute; widen their research interests and professional networks by working in the international and multi-disciplinary context of UNU-IAS and UNU-CPR, and with their wider network of Japanese universities and research institutes, as well as international collaborators; become exposed to the workings of international and multilateral policy processes and the broader UN system; and link with other UNU-IAS and UNU-CPR PhD and Postdoctoral Fellows.
