

*Dear Graduate Students,*

*Welcome to the spring semester!*

*Spring is does not have nearly as many big deadlines as the fall. But competitions for institutions such as professional societies, libraries, and labs are often in the spring. There are also a lot of deadlines for university-wide funding. Keep your eyes open; there are some good ones below.*

*Shelley*

### **Association for Asian Studies (AAS) and Inner Asia Council (CIAC) Small Grants**

The China and Inner Asia Council of the AAS (CIAC) is soliciting applications for awards of up to \$2,000. Dissertation-level graduate students and scholars with special interests in China or Inner Asia are invited to submit proposals.

Eligibility: open

Deadline: February 1, 2019

Website: <https://www.asian-studies.org/Grants-and-Awards/CIAC>

### **Cuban Heritage Foundation Summer and Graduate Fellowships**

The Cuban Heritage Collection (CHC) Fellowships program provides assistance to students and scholars who wish to use the research resources available in the Cuban Heritage Collection at the University of Miami. The goal of the CHC Fellowships is to engage scholars with the materials available in the Cuban Heritage Collection and thus contribute to the larger body of scholarship in Cuban, hemispheric, and international studies.

Citizenship: Not specified

Deadline: February 4, 2019

Website: <http://library.miami.edu/chc/fellows/>

### **Gerald P Ford Library Travel Grants**

The Gerald R. Ford Presidential Foundation awards grants of up to \$2,200 each in support of research in the holdings of the Gerald R. Ford Library. A grant defrays travel and living expenses of a research trip to the Ford Library. Overseas applicants are welcome to apply, but they will be responsible for the costs of travel between their home country and North America. The grants only cover travel within North America. Library collections focus on Federal policies, U.S. foreign relations, and national politics in the 1960s and 1970s. There are earlier and later materials depending upon your topic.

Citizenship: Unrestricted

Deadline: March 15 and September 15

Website: <https://www.fordlibrarymuseum.gov/library/foundationgrants.asp>

### **Institute for Global Law and Policy Doctoral and Postdoctoral Awards**

The Institute welcomes all interested doctoral and post-doctoral scholars who are currently pursuing research in the areas of global law, economic policy, and social justice to apply for our residential Fellowships. Applicants considered for Fellowships are those whose work is challenging, original and focuses on progressive and alternative ideas within international law. Often, work of this nature is not supported by mainstream institutional resources and the IGLP strives to give opportunities for diverse ideas to flourish.

Citizenship: Unspecified

Deadline: February 22, 2019

Website: <http://iglp.law.harvard.edu/iglp-fellowship/>

### **National Park Service Art in the Parks Artist-in-Residence**

There are programs for visual artists, writers, musicians, and other creative media. Programs vary, but residencies are typically 2 to 4 weeks in length and most include lodging. Often artists are invited to participate in park programs by sharing their art with the public.

Each park has its own application process and timeline, so please visit a given park's website (linked below) for specifics.

Website: <https://www.nps.gov/subjects/arts/air.htm>

### **NYU Journalism Matthew Power Literary Reporting Award**

The Matthew Power Literary Reporting Award is a grant of \$12,500 to support the work of a promising early-career nonfiction writer on a story that uncovers truths about the human condition. In 2019 we will also name a runner-up, who will receive \$4,000.

Citizenship: Unspecified

Deadline: February 20, 2018

### **Padnos Museum Internship Program at the Gerald R. Ford Presidential Museum**

The highly rewarding and fiercely competitive field of museum work requires more than classroom study for entry. Increasingly, employers demand a certain level of practical experience to accompany a degree in the humanities. The Padnos Museum Internship Program at the Gerald R. Ford Presidential Museum provides the necessary skills students need to attain a certain level of marketability in the field. For its nearly twenty years in operation, the program has provided lasting experiences for students from around the country.

Deadline: March 1, July 1, and November 1

Website: <https://www.fordlibrarymuseum.gov/museum/internInfo.asp>

### **Social Security Administration's (SSA's) Analyzing Relationships between Disability, Rehabilitation and Work (ARDRAW) Small Grant Program**

The SSA's ARDRAW Small Grant Program is a one-year \$10,000 stipend program awarded to graduate-level students to conduct supervised independent research designed to foster new analysis of work, rehabilitation, and disability issues, which may develop innovative and fresh

perspectives on disability. ARDRAW replaces the 5-year grant called the Disability Determination Process Small Grant Program, with a new focus on research relevant to SSA's work incentives and employment supports – specifically rehabilitation, work and the disability program.

Citizenship: awardees must be citizens or non-citizen nationals of the United States, or must have been lawfully admitted to the United States for permanent residence

Deadline: March 1, 2019

Website: <http://ardraw.policyresearchinc.org/>

## **Funding in STEM (Science, Technology, Engineering, and Mathematics)**

### **American Fisheries Society - Steven Berkeley Marine Conservation Fellowship**

This fellowship was created by AFS in 2007 to honor the memory of Steven Berkeley, a dedicated fisheries scientist with a passionate interest in integrating the fields of marine ecology, conservation biology, and fisheries science to improve fisheries management. Berkeley was a long-time member of AFS and a member of the first Board of Directors of the Fisheries Conservation Foundation. The fellowship comprises a competitively based \$10,000 award to a graduate student actively engaged in thesis research relevant to marine conservation. Research topics may address any aspect of conservation; a focus on fisheries issues is not required.

Eligibility: Unrestricted

Deadline: February 1, 2019

Website: [http://mfs.fisheries.org/?page\\_id=155](http://mfs.fisheries.org/?page_id=155)

### **American Institute of Aeronautics and Astronautics Graduate Scholarships**

To help support promising future aerospace professionals, the AIAA Foundation annually awards financial aid to undergraduate and graduate students in science or engineering programs related to aerospace. Our goal is to help attract top science and engineering students to aerospace field, to provide high-visibility recognition of these students and their work, to furnish financial assistance to aerospace students, and to assure the availability of the talented professionals the aerospace industry will need in the years ahead.

Through its annual graduate scholarship program, the AIAA Foundation presents awards to graduate students doing excellent research in the air and space sciences.

Deadline: January 31, 2019

Website: <http://www.aiaa.org/scholarships/>

### **Argonne Laboratory-Graduate Programs**

Argonne supports graduate students in their pursuit of science, technology, engineering and math (STEM) careers by providing educational and scientific opportunities throughout the graduate school experience.

Eligibility: Varies. Some open to international students

Deadline: Varies (between February 1 – March 1)

Website: <http://www.anl.gov/education/graduates>

### **Center for Disease Control Biochemical Markers Summer Fellowship**

A summer fellowship opportunity is available in the Division of Laboratory Sciences (DLS) within the National Center for Environmental Health (NCEH) at the Centers for Disease Control and Prevention (CDC) on the Chamblee Campus in Atlanta, Georgia. DLS provides laboratory support that improves the detection, diagnosis, treatment, and prevention of environmental, tobacco-related, nutritional, newborn, selected chronic and selected infectious diseases. DLS also works to improve the rapid and accurate detection of chemical threat agents, radiologic threat agents, and selected toxins. Collaborating with a multidisciplinary team, the selected participant will use state-of-the-art laboratory equipment to address topics relevant to public health. This will allow the participant to gain hands-on experience in applied analytical chemistry and enhance their knowledge of its applications to public health

Citizenship: U.S. Citizen

Deadline: January 18, 2019

Website: <https://www.cdc.gov/nceh/dls/orise.html>

### **Educational Testing Service's Summer Internship Program in Research for Graduate Students**

Interns in this eight-week program participate in research under the guidance of an ETS mentor. Each intern is required to give a brief presentation about the project at the conclusion of the internship. The internship is carried out in the ETS offices in Princeton, N.J.

Eligibility: Unspecified

Deadline: February 1, 2019

Website: <http://www.ets.org/research/fellowships/summer>

### **Global Sustainable Electricity Partnership Scholarship**

Our scholars are exceptional students from developing countries studying in sustainable energy development. Today, the need for globally-oriented practitioners and researchers is growing rapidly. Our one-of-a-kind scholarship program fosters the next generation of energy, climate, and electricity sector specialists who will be prepared to tackle the challenges of the future.

Citizenship: citizen of a developing country/territory on the List of official development aid recipients identified by the Development Co-operation Directorate (DAC) of the Organization for Economic Co-operation and Development (OECD)

Deadline: March 8, 2019

Website: <https://globalelectricity.org/scholarship/>

### **National Institutes of Health Summer Internships Program in Biomedical Research**

Summer programs at the National Institutes of Health (NIH) provide an opportunity to spend a summer working at the NIH side-by-side with some of the leading scientists in the world, in an environment devoted exclusively to biomedical research. The NIH consists of the 240-bed Mark O. Hatfield Clinical Research Center and more than 1200 laboratories/research projects located on the main campus in Bethesda, MD and the surrounding area as well as in Baltimore and

Frederick, MD; Research Triangle Park, NC; Hamilton, MT; Framingham, MA; and Detroit, MI.  
NOTE: the number of positions in Hamilton, Framingham, and Detroit is limited.

Citizenship: U.S citizen or permanent resident

Deadline: March 1

Website: <https://www.training.nih.gov/programs/sip>

### **Society of Women Engineers Scholarships**

The SWE Scholarship Program provides financial assistance to women admitted to accredited baccalaureate or graduate programs, in preparation for careers in engineering, engineering technology and computer science. In 2017, SWE disbursed over 230 new and renewed scholarships valued at over \$830,000.

Citizenship: Unspecified

Deadline: February 15

Website: <http://societyofwomenengineers.swe.org/index.php/swe-scholarships>

### **U.S. Air Force Research Lab - Repperger Research Internship Program**

Provides research opportunities for students to participate in research projects at one of the Air Force facilities under the mentorship of an Air Force scientist. Each scientist has been hand selected to mentor, because of their technical knowledge, experience, and willingness to help science and engineering students enhance their learning through participation in an actual Air Force research project. June 3 - August 0, 2019. Location: Dayton, OH & San Antonio, TX

Citizenship: U.S. Citizen

Deadline: January 28, 2019

Website: <https://orise.orau.gov/afrl/repperger-research.html>

## **Postdoctoral Fellowships**

### **Intelligence Community Postdoctoral Research Fellowships**

The program was established to fund unclassified, basic research in areas of interest to the Intelligence Community, from behavior and language to energy and atmosphere. The program annually funds several Postdoctoral Fellows representing colleges, universities, and other research institutions throughout the United States. Senior scientists in the Intelligence Community identify critical research topics and Principal Investigators at research institutions work with Postdoctoral Fellows to submit technical proposals that align with Intelligence Community priorities.

Eligibility: U.S. citizen

Deadline: March 1, 2019

Website: <https://orise.orau.gov/icpostdoc/>

### **L'Oréal USA for Women in Science Postdoctoral Fellowship**

The fellowship program honors female scientists at a critical stage in their careers. Since 2003, we've awarded 70 postdoctoral women scientists over \$3.5 million in grants. We're seeking five exceptional female scientists looking to advance their research and serve as role models for the

next generation of girls in STEM. Candidates must have completed their PhD and have started in their postdoctoral research position by the application deadline.

Deadline: February 1, 2019

Website: <http://www.lorealusa.com/csr-commitments/1%E2%80%99or%C3%A9al-usa-for-women-in-science-program>

### **National Academies Research Associateship Program**

The mission of the NRC Research Associateship Programs (RAP) is to promote excellence in scientific and technological research conducted by the U. S. government through the administration of programs offering graduate, postdoctoral, and senior level research opportunities at sponsoring federal laboratories and affiliated institutions. In these programs, prospective applicants select a research project or projects from among the large group of opportunities listed on this website. Prior to completing an application, prospective applicants should contact the proposed Research Adviser to assure that funding will be available if their application is recommended by NRC panels. Once mutual interest is established between a prospective applicant and a Research Adviser, an application is submitted through the NRC WebRap system.

Citizenship: Depends on position

Deadline: Reviews are conducted four times each year and review results are available approximately 6-8 weeks following the application deadline.

Website: <http://sites.nationalacademies.org/pga/rap/>

### **Wellcome Trust International Training Fellowship**

This scheme provides researchers from low- and middle-income countries - who are at an early stage in the establishment of their research careers - with opportunities for research experience and high-quality research training in public health and tropical medicine. Research projects should be aimed at understanding and controlling diseases (either human or animal) of relevance to local, national or global health. This can include laboratory-based molecular analysis of field or clinical samples, but projects focused solely on studies in vitro or using animal models will not normally be considered under this scheme. This fellowship is part of a series of career awards aimed at building sustainable capacity in areas of research that have the potential for increasing health benefits for people and their livestock in low- and middle-income countries.

Citizenship: Must be a national or legal resident of a low- and middle-income country (see website)

Deadline: April 25, 2019 (preliminary application)

Website: <https://wellcome.ac.uk/funding/training-fellowships-public-health-and-tropical-medicine>
