Dear Graduate Students,

This is the time of fellowship deadlines. There are so many open opportunities that it was difficult to know what to include in this list. Next week, we will send a bonus email with a list of the biggest graduate fellowships, ones you probably want to have on your list of possibilities. The list below includes some smaller awards that are currently open. However, we encourage you to take advantage of the resources we have on our website about searching for and finding funding.

Shelley and Bethany

*Indicates international students are eligible

ANNOUNCEMENTS
Graduate Writing Lab
The Graduate Writing Lab (GWL) offers free consultations by appointment with trained and certified peer tutors. Our graduate tutors will discuss any kind of writing at any point in the process. During each session, tutors get acquainted with the student’s writing, answer questions, identify patterns, make recommendations, and help the student come up with a plan for moving forward. Tutors can serve as a second set of eyes on personal statements, application essays, lab reports, theses, dissertations, resumes, and even professional emails.
Website: https://gradcenter.arizona.edu/graduate-writing-lab

Writing Efficiency Sessions
Do you want to be a more productive writer? If you are working on an intensive writing project like a dissertation, thesis, journal article, or grant proposal and you would like to increase your writing productivity, consider joining Writing Efficiency Sessions.
• Mondays, 11 AM to 1 PM
• Tuesdays, 7 PM to 9 PM
• Wednesdays, 10 AM to 12 PM
• Thursdays, 12 PM to 2 PM
More information: https://gradcenter.arizona.edu/writing-support/writing-efficiency-sessions

National Science Foundation Graduate Research Fellowships (NSF GRFP)
Applying to the NSF GRFP? We can help with early deadlines for drafts, feedback, and mentoring.
• Deadline: Late October (varies according to discipline)
• Citizenship: U.S. citizen, national, or permanent resident
• Website: https://grad.arizona.edu/ofce/application-development-programs/nsf-graduate-research-fellowship-program

NIH F30/31 Resubmission Program
If you have submitted an NIH F30 or F31 application and plan to resubmit for the December 8, 2021 deadline, we can help. We will meet with you to discuss your Summary Statement and then help you make a plan for resubmission. On October 19, you can submit your Introduction to Resubmission and 1 - 2 other documents for feedback. This is a new program with limited space.
• Website: https://grad.arizona.edu/ofce/nih-f3031-resubmission-program

GENERAL FELLOWSHIP OPPORTUNITIES

American Australian Association Scholarships
The American-Australian Education Fund provides scholarship awards of up to $40,000 to support graduate level study or post-doctoral research in two directions: Australian Citizens travelling to the US and US Citizens traveling to Australia. Studying or conducting research within the fields of science, technology, engineering, mathematics, sustainability, medicine, and health sciences (scholarships also available in Indigenous Education, the arts, and for Veterans)

- **Deadline:** October 15, 2021
- **Citizenship:** US or Australian
- **Website:** [https://www.americanaustralian.org/scholarships/education-fund/](https://www.americanaustralian.org/scholarships/education-fund/)

**Belgian American Educational Foundation (BAEF) Fellowships for Study or Research in Belgium**

The BAEF encourages applications for fellowships for advanced study or research during one academic year, at a Belgian University or institution of higher learning. The B.A.E.F. will award up to ten fellowships as outright non-renewable grants carrying a stipend of $28,000 for Master’s or Ph.D. students and $32,000 for Post-doctoral Fellows.

- **Deadline:** October 31, 2021
- **Citizenship:** U.S. citizen or permanent resident
- **Website:** [https://baef.be/fellowships-announcement-for-americans/](https://baef.be/fellowships-announcement-for-americans/)

**Climate Assessment for the SW (CLIMAS) Environment & Society Graduate Fellowship**

The Environment & Society Fellowship was created in 2013 as a funding opportunity for graduate students to practice use-inspired research and science communication. The Fellowship supports projects that connect social or physical sciences, the environment, and decision-making. Projects must be collaborative and address research and information needs voiced by the students’ project partners. Proposals should fall under one or more of these categories: scoping research, dissertation/thesis work, a discrete 1-year project, outreach, and/or network building. The fellowship is open to students conducting research anywhere in the world.

- **Deadline:** October 22, 2021
- **Citizenship:** unrestricted
- **Website:** [https://climas.arizona.edu/education/fellowship-program](https://climas.arizona.edu/education/fellowship-program)

**Getty Foundation Pre- and Postdoctoral Fellowships**

Getty Predoctoral and Postdoctoral Fellowships are intended for emerging scholars to complete work on projects related to the Getty Research Institute’s annual research theme or the African American Art History Initiative. Recipients are in residence at the Getty Research Institute or Getty Villa, where they pursue research projects, complete their dissertations, or expand dissertation for publication. Fellows make use of the Getty
collections, join in a weekly meeting devoted to the annual theme, and participate in the intellectual life of the Getty.

- **Deadline:** October 1, 2021
- **Citizenship:** Unrestricted
- **Website:**
  [http://www.getty.edu/foundation/initiatives/residential/getty_pre_postdoctoral_fellowships.html](http://www.getty.edu/foundation/initiatives/residential/getty_pre_postdoctoral_fellowships.html)

**Mellon/ACLS Dissertation Completion Fellowships**
The American Council of Learned Societies (ACLS) invites applications for Mellon/ACLS Dissertation Completion Fellowships, which support a year of research and writing to help advanced graduate students in the humanities and interpretive social sciences in the last year of PhD dissertation writing. The program encourages timely completion of the PhD and is open to scholars pursuing humanistic research on topics grounded in any time period, world region, or methodology. Applicants must be prepared to complete their dissertations within the period of their fellowship tenure and no later than August 31, 2023. A grant from The Andrew W. Mellon Foundation supports this program.

- **Deadline:** October 27, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://www.acls.org/Competitions-and-Deadlines/Mellon-ACLS-Dissertation-Completion-Fellowships](https://www.acls.org/Competitions-and-Deadlines/Mellon-ACLS-Dissertation-Completion-Fellowships)

**National Institute for Transportation and Communities Dissertation Grants**
Doctoral Dissertation Research Fellowships of up to $15,000 to cover expenses for the recipient while working on a dissertation consistent with NITC’s theme of: Improving the mobility of people and goods to build strong communities.

- **Deadline:** Accepted on a Rolling Basis
- **Citizenship:** U.S. citizen or permanent resident
- **Website:** [http://nitc.trec.pdx.edu/funding/dissertation-fellowships](http://nitc.trec.pdx.edu/funding/dissertation-fellowships)

**P.E.O International Peace Scholarship**
The International Peace Scholarship Fund, established in 1949, is a program which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

- **Deadline:** December 15, 2021 (opens September 15, 2021)
- **Citizenship:** Women who are not citizens or permanent residents of the U.S. or Canada
- **Website:** [http://www.peointernational.org/about-peo-international-peace-scholarship-ips](http://www.peointernational.org/about-peo-international-peace-scholarship-ips)

**Presidential Management Fellows (PMF) Program**
PMF Program is a flagship leadership development program at the entry level for advanced degree candidates. The PMF Program inculcates a lasting bond as well as a spirit of public service, ultimately encouraging and leading to a career in the government. Your two-year appointment will provide a fast-paced opportunity to gain experience and develop your talents. You will be challenged with opportunities to flourish into a problem solver, strategic thinker and future leader. In addition to working at a single Federal agency, you may have the option to participate in a rotational opportunity at another agency. This highly selective, rigorous leadership program recruits recent graduates and current graduate students (who will complete an advanced degree by August 31st of the following year), particularly in (but not limited to) the areas of Accounting/Finance, Computer Science, Economics, Engineering, Foreign Policy/International Affairs, Environmental Science, Health/Medical Science, IT, Public Administration/Public Policy, and Public Health.

- **Deadline:** September 28, 2021 (opens) – October 12, 2021 (closes)
- **Citizenship:** Mostly U.S. citizenship with a few exceptions (but must be eligible to work under U.S. Immigration laws)
- **Website:** https://www.pmf.gov/become-a-pmf/overview/

Sultan Qaboos Cultural Center Research Fellowships for Oman

In 2010, SQCC established its Research Fellowship Program, which aims to promote and cultivate scholarly research about Oman across several academic disciplines. The fellowship is open to PhD candidates and university academics who are US citizens or affiliated with an American university, and funds one scholar or team of scholars to carry out research in Oman each year. The fellowship awards up to $51,000 for the fellow or team of fellows.

- **Deadline:** September 30, 2021
- **Citizenship:** U.S. citizens or affiliated with an American university
- **Website:** https://www.sqcc.org/Scholarships-0024-Fellowships/Research-Fellowship-Program.aspx

Vanier Canada Graduate Scholarships Competition

The Vanier Canada Graduate Scholarships program is designed to support world-class students pursuing doctoral degrees at Canadian universities. The scholarship awards $50,000 per year for three years. The program is open to both Canadian and international students. Students must be nominated by the Canadian university at which they plan to study.

- **Deadline:** Please note the following important dates: (i) Students must consult nominating institution for submission deadline; (ii) Nominating institutions must adhere to the deadline of November 2, 2021 (20:00 EDT).
- **Citizenship:** Unspecified
- **Website:** Vanier Canada Graduate Scholarships
Woodrow Wilson Dissertation Fellowships in Women’s Studies

The WW Women’s Studies Fellowships support the final year of dissertation writing for Ph.D. candidates in the humanities and social sciences whose work addresses topics of women and gender in interdisciplinary and original ways.

- **Deadline:** October 15, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://citizensandscholars.org/fellowships/ws/](https://citizensandscholars.org/fellowships/ws/)

---

**FELLOWSHIPS IN ARTS, HUMANITIES, AND SOCIAL SCIENCES**

18th Street Residencies

Location Los Angeles. There are five types of residencies, including local organizations in residence, where arts organizations have their offices and activities on our campus; local artists in residence, where LA-based artist occupy either live/work or day work studios for one year or more; a visiting artist program that hosts international and national artists and curators from between one and three months; a curator in residence, who has studio space for one calendar year to conduct research and foster community engagement through ancillary programs, such as symposia, lectures, and artist talks; and the Artist Lab Residency program, structured as both a residency and an exhibition for an LA-based artist (by invitation).

- **Deadline:** Applications are accepted on a rolling basis and reviewed quarterly, typically one year to 18 months in advance of residency.
- **Citizenship:** Unrestricted
- **Website:** [https://18thstreet.org/residency-program/](https://18thstreet.org/residency-program/)

AERA Minority Dissertation Fellowship in Education Research

The American Educational Research Association (AERA) is pleased to announce the AERA Minority Dissertation Fellowship in Education Research. The Council of the AERA established the fellowship program to provide support for doctoral dissertation research, to advance education research by outstanding minority graduate students, and to improve the quality and diversity of university faculties. This fellowship is targeted for members of racial and ethnic groups historically underrepresented in higher education (e.g., African Americans, Alaskan Natives, American Indians, Asian Americans, Hispanics or Latinos, and Native Hawaiian or Pacific Islanders). This program offers doctoral fellowships to enhance the competitiveness of outstanding minority scholars for academic appointments at major research universities. It supports fellows conducting education research and provides mentoring and guidance toward the completion of their doctoral studies.
Deadline: December 1, 2021
Citizenship: This program is open to U.S. citizens and permanent residents who are members of racial and ethnic groups historically underrepresented in higher education (e.g., African Americans, Alaskan Natives, American Indians, Asian Americans, Hispanics or Latinos, and Native Hawaiian or Pacific Islanders).
Website: https://www.aera.net/Professional-Opportunities-Funding/AERA-Funding-Opportunities/Minority-Dissertation-Fellowship-Program

American Academy in Rome – Rome Prize
For over a century, the American Academy in Rome has awarded the Rome Prize to support innovative and cross-disciplinary work in the arts and humanities. Fellowships are awarded in the following disciplines: Ancient Studies; Architecture; Design (includes graphic, industrial, interior, exhibition, set, costume, and fashion design, urban design, city planning, engineering, and other design fields); Historic Preservation and Conservation; Landscape Architecture (includes environmental design and planning, landscape/ecological urbanism, landscape history, sustainability and ecological studies, and geography); Literature (includes fiction, literary nonfiction, and poetry); Medieval Studies; Modern Italian Studies; Musical Composition; Renaissance and Early Modern Studies; Visual Arts (includes painting, sculpture, drawing, photography, film/video, installation, new media, digital arts, and other visual arts fields)
Deadline: November 1, 2021
Citizenship: U.S. citizen and foreign nationals who have lived in the U.S. for three years immediately preceding the application deadline
Website: http://www.aarome.org/apply

Camargo Foundation Core Program in Arts and Humanities
The Core Program is the flagship program of the Camargo Foundation. Since 1971, the Camargo Foundation has awarded residencies to over 800 Core Program Fellows as part of its mission to support groundbreaking research, experimentation, and interdisciplinary approaches in the Arts and Humanities. Each year, an esteemed panel of scholars and arts professionals selects 18 individuals or teams from over 1,000 submissions from around the world. Winners are awarded residencies in a stunning, contemplative environment where they have the space, time, and freedom to think, create, and connect. Fellowships span 6 to 11 weeks. With each cohort of Fellows, the Foundation strives to foster connections between research and creation.
Deadline: October 1, 2020
Citizenship: Unrestricted
Website: https://camargofoundation.org/programs/camargo-core-program/

Dissertation Fellowships for Republic of China Students Abroad
Doctoral candidates may apply for fellowships for the completion of dissertations in the humanities and social sciences. Applicants for ROC dissertation fellowships must be
doing research on topics related to Chinese culture and society, the development of the Republic of China, or Taiwan Studies. Their dissertations should cover one of the following fields: literature, history, philosophy, linguistics, art, sociology, anthropology, psychology, political science, legal studies, economics, or media studies.

- **Deadline:** October 15, 2021
- **Citizenship:** Only doctoral candidates who are Republic of China (ROC) citizens and who are completing the last stage of their Ph.D. research at an accredited university in the United States, Canada, Mexico, Central America, or South America may apply. Only students who have graduated from an accredited university or college in the Republic of China, and who do not have foreign permanent residence status or citizenship, are eligible to apply.

**International Dissertation Research Fellowship**

The Mellon International Dissertation Research Fellowship (IDRF) offers nine to twelve months of support to graduate students in the humanities and humanistic social sciences who are enrolled in PhD programs in the United States and conducting dissertation research on non-US topics. Seventy fellowships are awarded annually. Fellowship amounts vary depending on the research plan, with a per-fellowship average of $23,000. The fellowship includes participation in an SSRC-funded interdisciplinary workshop upon the completion of IDRF-funded research. The program is open to graduate students in the humanities and humanistic social sciences.

- **Deadline:** November 2, 2021
- **Citizenship:** Unrestricted
- **Website:** [http://www.ssrc.org/fellowships/idrf-fellowship/](http://www.ssrc.org/fellowships/idrf-fellowship/)

**Lighthouse Works Fellowship**

Lighthouse Works’ Fellowship Program is an artist-in-residence program that strives to support artists and writers working in the vanguard of their creative fields. The program accepts artists working in a wide range of disciplines, but we are best able to accommodate visual artists and writers. Fellowships are six weeks in length, occur year-round and provide fellows with housing, food, studio space, a $250 travel allowance and a $1,500 stipend. Artistic excellence is the primary criteria for acceptance as a Lighthouse Works fellow.

- **Deadline:** October 15, 2021
- **Citizenship:** Unspecified
- **Website:** [https://www.thelighthouseworks.com/fellowship-program/](https://www.thelighthouseworks.com/fellowship-program/)

**National Academy of Education (NAEd)/Spencer Fellowships in Education Research**
The Dissertation Fellowship Program seeks to encourage a new generation of scholars from a wide range of disciplines and professional fields to undertake research relevant to the improvement of education. These $27,500 fellowships support individuals whose dissertations show potential for bringing fresh and constructive perspectives to the history, theory, or practice of formal or informal education anywhere around the world. This highly competitive program aims to identify the most talented emerging researchers conducting dissertation research related to education.

- **Deadline:** October 7, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://naeducation.org/naedspencer-dissertation-fellowship-program/](https://naeducation.org/naedspencer-dissertation-fellowship-program/)

---

**FELLOWSHIPS IN SCIENCE, TECHNOLOGY, ENGINEERING, AND MATH**

**American Concrete Institute (ACI) Foundation Fellowships**

The ACI Foundation awards more than $200,000 annually to students to both further their studies, and which provides professional exposure to the concrete industry and ACI by funding their travel to a number of ACI Concrete Convention and Expositions. Promoted globally through ACI's network of faculty members, these awards are given to the brightest and best students studying concrete.

- **Deadline:** November 2, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://www.acifoundation.org/scholarships.aspx](https://www.acifoundation.org/scholarships.aspx)

**Department of Energy (DOE) Office of Science Graduate Student Research (SCGSR) Program**

The SCGSR program supports supplemental awards to outstanding U.S. graduate students to conduct part of their graduate thesis research at a DOE national laboratory/facility in collaboration with a DOE laboratory scientist for a period of 3 to 12 consecutive months—with the goal of preparing graduate students for scientific and technical careers critically important to the DOE Office of Science mission. Graduate students currently pursuing Ph.D. degrees in areas of physics, chemistry, material sciences, biology (non-medical), mathematics, engineering, computer or computational sciences, or specific areas of environmental sciences that are aligned with the mission of the Office of Science are eligible to apply.

- **Deadline:** November 10, 2021
- **Citizenship:** U.S. citizen or permanent resident
Facebook Fellowship
The Facebook Fellowship Program and Emerging Scholar Awards are designed to encourage and support promising doctoral students who are engaged in innovative and relevant research in areas related to computer science and engineering. The program is open to students in any year of their PhD study and supports talented students from traditionally under-represented minority groups.
- **Deadline:** September 20, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://research.fb.com/programs/fellowship/#Eligibility_Criteria](https://research.fb.com/programs/fellowship/#Eligibility_Criteria)
  - [https://research.fb.com/programs/fellowship](https://research.fb.com/programs/fellowship)

Hertz Fellowships
The Foundation supports graduate students working towards the Ph.D. degree in the applied physical, biological, and engineering sciences. These fields include applied mathematics, statistics, and quantitative aspects of modern biology. Applicants must be willing to morally commit to make their skills available to the United States in time of national emergency.
- **Deadline:** October 29, 2021
- **Citizenship:** U.S. citizen or permanent residents
- **Website:** [http://www.hertzfoundation.org](http://www.hertzfoundation.org)

IBM Ph.D. Fellowships
Strong collaboration with faculty, students and universities is vital to IBM. The IBM PhD Fellowship Program advances this collaboration by recognizing and supporting exceptional PhD students who want to make their mark in promising and disruptive technologies. Focus areas include the following topics of particular interest: Hybrid Cloud, Quantum Computing/Quantum Systems, AI, Cloud/Open Source Technologies, Security/Cyber Security, Data Science, and Systems. The two-year IBM PhD Fellowships are awarded worldwide. A fellowship includes a stipend for two academic years.
- **Deadline:** Nominations open 3rd week of September
- **Citizenship:** Open to any student from a country other than one embargoed by the U.S.

Microwave Engineering Fellowship/Microwave Engineering for Medical Applications Fellowship
The purpose of the fellowship is to recognize and provide financial assistance to graduate students who show promise and interest in pursuing a graduate degree in applying microwave engineering to medical applications. The student must be actively pursuing a graduate degree in electrical engineering, applied physics, biomedical engineering or other appropriate field on a full-time basis at an accredited institution of
higher learning. It is expected that the student will be engaged in studies and research or thesis related activities for at least 12 months following the award. Research work must clearly involve the application of RF and microwave techniques to medical problems, supervised by a full-time faculty supervisor.

- **Deadline:** October 15, 2021
- **Citizenship:** unrestricted
- **Website:** [https://www.mtt.org/students/](https://www.mtt.org/students/)

**National Defense Science and Engineering Graduate Fellowship Program (NDSEG)**

The National Defense Science and Engineering Graduate Fellowship Program (NDSEG) of the US Department of Defense is intended for students at or near the beginning of graduate study for doctoral degrees in mathematical, physical, biological, and engineering sciences. It is a three-year award, which includes a stipend, plus full tuition and fees, not including room and board.

- **Deadline:** November 21, 2021
- **Citizenship:** US citizens or nationals
- **Website:** [https://ndseg.org/](https://ndseg.org/)

**National Science Foundation Graduate Research Fellowships (NSF GRFP)**

The National Science Foundation aims to ensure the vitality of the human resource base in biological science, technology, engineering, mathematics, physical science, earth science, and social science in the United States and to reinforce its diversity by offering approximately 1,600 graduate fellowships in this competition. The Graduate Research Fellowship provides three years of support for graduate study leading to research-based masters or doctoral degrees and is intended for students who are at the early stages of their graduate study.

- **Deadline:** Late October (varies according to discipline)
- **Citizenship:** U.S. citizen, national, or permanent resident
- **Website:** [https://grad.arizona.edu/ofce/application-development-programs/nsf-graduate-research-fellowship-program](https://grad.arizona.edu/ofce/application-development-programs/nsf-graduate-research-fellowship-program)

---

**POSTDOCTORAL OPPORTUNITIES**

**Andrew W. Mellon Postdoctoral Curatorial Fellowship**

This two-year fellowship at The Met provides curatorial training and an opportunity for the fellow to engage with a community of scholars from around the world. The fellow is fully integrated into one of the Museum’s curatorial departments, while devoting his or her time to a specific Met project. The individual works directly with one or more
curators, who serve as supervisors and mentors throughout the term of the fellowship. The fellow also has the opportunity to undertake an independent project in consultation with his or her supervising curator. Through weekly gatherings and discussions, the fellow takes part in research-sharing and workshops that expand dialogue and foster a community of intellectual engagement.

- **Deadline:** Fall – varies according to opportunity
- **Citizenship:** Unspecified
- **Website:** [https://www.metmuseum.org/about-the-met/fellowships/how-to-apply](https://www.metmuseum.org/about-the-met/fellowships/how-to-apply)

**Arizona Institutes for Resilience Postdoc for Bridging Biodiversity & Conservation Science**

Arizona Institutes for Resilience (AIR) at the University of Arizona invites applications for a year-to-year appointment, contingent upon funding and performance, Postdoctoral Research Associate in the recently established & cross-cutting postdoctoral cluster hire “Bridging Biodiversity & Conservation Science (BBCS): Forecasting Future Environments” initiated in 2016. The position connects to an exciting scientific interface addressing “global grand challenges” in biodiversity & conservation science & its role in sustaining societal well-being.

- **Deadline:** open until filled
- **Citizenship:** U.S. citizen, permanent resident, or non-citizen national per NIH grant requirements

**Earth Institute of Columbia University Postdoctoral Research Program**

The Earth Institute Postdoctoral Research program is the premier program in the world for those dedicated to a better understanding of critical scientific and social issues in global sustainable development. Earth Institute Postdoctoral Researchers will join multidisciplinary teams of outstanding, committed scientists from across the Earth Institute and Columbia University.

- **Deadline:** October 27, 2021
- **Citizenship:** Unspecified
- **Website:** [http://www.earth.columbia.edu/articles/view/56](http://www.earth.columbia.edu/articles/view/56)

**National Academy of Education (NAEd)/Spencer Postdoctoral Fellowships**

The Postdoctoral Fellowship Program supports early-career scholars working in critical areas of educational scholarship. Fellows will receive $70,000 for one academic year of research, or $35,000 for each of two contiguous years, working half time. Fellows will also attend professional development retreats and receive mentorship from NAEd members and other senior scholars in their field. For the current application cycle, applicants must have had their PhD, EdD, or equivalent research degree conferred.
between January 1, 2014, and December 31, 2018. This fellowship is non-residential, and applications from all disciplines are encouraged.

- **Deadline:** November 17, 2021
- **Citizenship:** Unrestricted
- **Website:** [https://naeducation.org/naedspencer-postdoctoral-fellowship-program/](https://naeducation.org/naedspencer-postdoctoral-fellowship-program/)

**NSF Postdoctoral Research Fellowships in Biology (PRFB)**
The Directorate for Biological Sciences (BIO) awards Postdoctoral Research Fellowships in Biology (PRFB) to recent recipients of the doctoral degree for research and training in selected areas supported by BIO and with special goals for human resource development in biology. For applications under this solicitation, these areas are (1) Broadening Participation of Groups Underrepresented in Biology, (2) Integrative Research Investigating the Rules of Life Governing Interactions Between Genomes, Environment and Phenotypes, and (3) Plant Genome Postdoctoral Research Fellowships.

- **Deadline:** December 6, 2021
- **Citizenship:** not yet announced
- **Website:** [https://beta.nsf.gov/funding/opportunities/postdoctoral-research-fellowships-biology-prfb](https://beta.nsf.gov/funding/opportunities/postdoctoral-research-fellowships-biology-prfb)

**NSF Social, Behavioral, and Economic Sciences Postdoctoral Fellowships**
The Directorate for Social, Behavioral and Economic Sciences (SBE) offers Postdoctoral Research Fellowships to encourage independence early in the Fellow's career through supporting his or her research and training goals. The research and training plan of each Fellowship must address important scientific questions within the scope of the SBE Directorate and the specific guidelines in this solicitation. The SPRF program offers two tracks: (I) Fundamental Research in the SBE Sciences (SPRF-FR) and (II) Broadening Participation in the SBE Sciences (SPRF-BP). See the full text of the solicitation for a detailed description of these tracks.

- **Deadline:** November 1, 2021
- **Citizenship:** U.S. citizen, national, or legally admitted permanent resident
- **Website:** [https://beta.nsf.gov/funding/opportunities/sbe-postdoctoral-research-fellowships-sprf](https://beta.nsf.gov/funding/opportunities/sbe-postdoctoral-research-fellowships-sprf)

**Ohio State University College of Medicine Postdoctoral Recruitment Event**
This event will provide an excellent opportunity for outstanding postdocs and PhD students from leading graduate programs to meet our research faculty, interview for open postdoctoral positions, and discover the exciting and innovative research taking place at The Ohio State University and the Research Institute at Nationwide Children’s Hospital. Participants will learn more about the Ohio State campus and Columbus, Ohio, network with current OSU and NCH postdocs, present their research to faculty in a virtual presentation, interview with prospective mentors, and learn more about
postdoctoral opportunities at Ohio State and Nationwide Children’s Hospital. Candidates selected to attend the virtual 2020 Autumn Postdoctoral Recruitment Event may be considered for a variety of opportunities at Ohio State, including fellowships, training grants, and other internal training programs.

- **Deadline:** September 30, 2021
- **Citizenship:** unspecified
- **Website:** [https://medicine.osu.edu/research/opportunities/postdoctoral/recruiting-events](https://medicine.osu.edu/research/opportunities/postdoctoral/recruiting-events)

**Society for the Humanities Mellon Postdoctoral Fellowships in Anthropology & Romance Studies**
The Society for the Humanities will sponsor two postdoctoral teaching-research fellowships in the humanities, each awarded for the two-year period beginning August 2022. Each fellowship offers a stipend of $56,000/year. While in residence at Cornell, Mellon Fellows hold department affiliations and joint appointments with the Society for the Humanities, have limited teaching duties, and the opportunity for scholarly work. Mellon Postdoctoral Fellowships are available in two areas of specialization: Anthropology and Romance Studies.

- **Deadline:** November 15, 2021
- **Citizenship:** International applicants are welcome to apply, contingent upon visa eligibility.
- **Website:** [http://societyhumanities.as.cornell.edu/mellon-postdoctoral-fellowships](http://societyhumanities.as.cornell.edu/mellon-postdoctoral-fellowships)

**University of California President’s Postdoctoral Program**
The University of California President’s Postdoctoral Fellowship Program was established in 1984 to encourage outstanding women and minority Ph.D. recipients to pursue academic careers at the University of California. The current program offers postdoctoral research fellowships, professional development and faculty mentoring to outstanding scholars in all fields whose research, teaching, and service will contribute to diversity and equal opportunity at UC.

- **Deadline:** November 1, 2021
- **Citizenship:** Successful applicants must present documents demonstrating that they are legally authorized to work in the United States. Visa sponsorship and work authorization is possible for successful applicants.

**Woods Hole Oceanographic Institution (WHOI) Postdoctoral Scholars Program**
Postdoctoral Scholar awards are offered annually to recipients of new or recent doctorates in the fields of chemistry, engineering, geology, geophysics, mathematics,
meteorology, physics, and biology as well as oceanography. The competitive awards are
designed to further the education and training of the applicant with primary emphasis
placed on the individual's research promise. In order to be eligible for one of these
awards, applicants must have received their doctoral degree within the past 3 years.

- **Deadline:** October 15
- **Citizenship:** Unspecified
- **Website:** [https://www.whoi.edu/what-we-do/educate/postdoctoral/](https://www.whoi.edu/what-we-do/educate/postdoctoral/)
