

Dear Graduate Students,

This is a list of some of my favorite fellowships that are external to the UA. However, there are lots more out there! Take time to do your own searches. Also, don't forget about other sources of funding for graduate students; I have them listed here: <https://grad.arizona.edu/ofce/funding-101>

Secondly, if you plan to apply for the NSF Graduate Research Fellowship Program, please sign up for our Application Support Program: <https://grad.arizona.edu/ofce/application-support-programs/nsf-graduate-research-fellowship-program>

General Fellowships

- American Association of University Women Dissertation Fellowships
- American Philosophical Society Fellowships and Grants
- Boren Fellowships for International Study
- Critical Language Scholarship (CLS) Program
- DAAD – Study and Research in Germany
- Dissertation Fellowships for Republic of China Students Abroad
- FLAS Fellowships for Foreign Language Learning
- Ford Foundation Dissertation Fellowships
- Ford Foundation Predoctoral Fellowships
- Fulbright Scholarship for U.S. Students
- Fulbright-Hays Doctoral Dissertation Research Abroad
- Hubert H. Humphrey Fellowships
- Luce Scholars
- Margaret McNamara Educational Grants for Women from Developing Countries
- National Institute of Justice Graduate Research Fellowship Program
- OAS Scholarships for Academic Studies (Undergraduate, Master's, Doctorates) for Study Abroad
- Paul & Daisy Soros Fellowships for New Americans
- Schwarzman Scholars

Fellowships in the Humanities and Social Sciences

- American Psychological Association Dissertation Research Award
- Charlotte W. Newcombe Doctoral Dissertation Fellowships in Ethics and Religion
- Confucius China Studies Joint Research Ph.D. Fellowship
- Duke Fellowships for Promotion of Child Well-Being
- Henry Frank Guggenheim Dissertation Fellowships
- International Dissertation Research Fellowship (IDRF)
- James Madison Memorial Fellowships
- Mellon/ACLS Dissertation Completion Fellowships
- Mellon Fellowships for Dissertation Research in Original Sources
- NAEd/Spencer Dissertation Fellowship Program
- Newberry Fellowships

Fellowships in Science, Technology, Engineering, and Math

- African Women in Agricultural Research and Development Fellowships
- Christine Mirzayan Science & Technology Policy Graduate Fellowships
- Department of Energy Computational Science Graduate Fellowship
- DOE Office of Science Graduate Student Research (SCGSR) Program
- Facebook Fellowship
- GEM Consortium Fellowships
- Grand Challenges for Engineering International Scholarships - Vest Scholarships
- Hertz Fellowships
- National Defense Science and Engineering Graduate Fellowship Program (NDSEG)
- National Physical Science Consortium Graduate Fellowship
- National Science Foundation Doctoral Dissertation Improvement Grants
- National Science Foundation Graduate Research Fellowships (NSF GRFP)
- Wildlife Conservation Society Graduate Scholarships

Postdoctoral Fellowships

- NSF Social, Behavioral and Economic Sciences Postdoctoral Research Fellowships
- Schlumberger Foundation Fellowship for Women from Developing and Emerging Economies
- Science & Technology Policy Fellowships
- Sloan Research Fellowships
- UNESCO-L'Oreal International Fellowships for Young Women in Life Sciences

General Fellowships

American Association of University Women Dissertation Fellowships

American Fellowships support women scholars completing doctoral dissertations, conducting postdoctoral research, or finishing research for publication. The purpose of the Dissertation Fellowship is to offset a scholar's living expenses while she completes her dissertation. The fellowship must be used for the final year of writing the dissertation.

Deadline: November 15

Website: www.aauw.org/what-we-do/educational-funding-and-awards/american-fellowships/

American Philosophical Society Fellowships and Grants

The American Philosophical Society maintains nine grant or fellowship programs in a wide range of fields. The Franklin, Lewis and Clark, Lewis and Clark Astrobiology, Library Digital Humanities Fellowship, Library Fellowship, and Phillips programs award small grants (\$1,000 to \$6,000) for modest research purposes. The Daland, Library Long-Term Pre-Doctoral Fellowship, and Mellon Post-Doctoral Fellowship programs award much larger amounts (\$40,000 to \$60,000) in highly selective competitions.

Deadlines: see website

Citizenship: varies according to fellowship

Website: <https://amphilsoc.org/grants>

Boren Fellowships for International Study

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded. Boren Fellows represent a vital pool of highly motivated individuals who wish to work in the federal national security arena. In exchange for funding, Boren Fellows commit to working in the federal government for at least one year after graduation. For more information, contact Emily Kotay:

emkotay@email.arizona.edu

Citizenship: U.S. Citizen

Deadline: January 30, 2018

Website: http://www.borenawards.org/boren_fellowship/basics.html

Critical Language Scholarship (CLS) Program

A program of United States Department of State, Bureau of Educational and Cultural Affairs, the Critical Language Scholarship (CLS) Program offers intensive summer language institutes overseas in thirteen critical need foreign languages for summer 2012. Critical Language Scholarship (CLS) institutes provide fully-funded group-based intensive language instruction and structured cultural enrichment experiences for seven to ten weeks for U.S. citizen undergraduate, Master's and Ph.D. students.

- Azerbaijani, Bangla, Hindi, Indonesian, Korean, Punjabi, Turkish, and Urdu: Beginning, advanced beginning, intermediate and advanced levels;
- Arabic and Persian: Advanced beginning, intermediate and advanced levels;
- Chinese, Japanese, and Russian: Intermediate and advanced levels.

Citizenship: U.S. Citizen

Deadline: TBA

Website: <http://www.clscholarship.org>

DAAD – Study and Research in Germany

Provides a variety of educational exchange scholarships Germany. The Research Grant is specifically for PhD students (and post-docs) wishing to pursue research in Germany. The Study Scholarship provides resources for independent study in Germany. The University of Arizona has been invited to nominate one graduate student for a DAAD Study Scholarship. If interested, please contact Shelley Hawthorne Smith (shellh@email.arizona.edu).

Citizenship: see website

Deadline: varies according to fellowship

Dissertation Fellowships for Republic of China Students Abroad

Doctoral candidates may apply for fellowships for the completion of dissertations in the humanities and social sciences. Applicants for ROC dissertation fellowships must be doing research on topics related to Chinese culture and society, the development of the Republic of China, or Taiwan Studies. Their dissertations should cover one of the following fields: literature,

history, philosophy, linguistics, art, sociology, anthropology, psychology, political science, legal studies, economics, or media studies.

Citizenship: Only students who have graduated from an accredited university or college in the Republic of China, and who do not have foreign permanent residence status or citizenship, are eligible to apply.

Deadline: October 15, 2017

Website: <http://www.cckf.org/en/programs/american/dissertation-fellowships>

FLAS Fellowships for Foreign Language Learning

The program funds centers around the country that provide fellowships to promote foreign language competencies. The UA is home to a FLAS program in the Center for Middle Eastern Studies (<http://cmes.arizona.edu/FLAS>). Also, you may apply to programs at some other institutions as well. Programs are either for the academic year or the summer. Institutions compete every four years for the program.

Deadline: vary

Website: <http://www2.ed.gov/programs/iegpsflasf/awards.html> (a list of currently funded institutions)

Ford Foundation Dissertation Fellowships

Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. Ford Foundation Fellowship awards are offered at the Predoctoral, Dissertation and Postdoctoral levels.

Fellowships are awarded in a national competition. Awards are made to individuals who, in the judgment of the review panels, have demonstrated superior academic achievement, are committed to a career in teaching and research at the college or university level, show promise of future achievement as scholars and teachers, and are well prepared to use diversity as a resource for enriching the education of all students. To be eligible for a Ford Foundation Fellowship award you must be a citizen of the United States, demonstrate evidence of superior academic achievement (such as grade point average, class rank, honors or other designations), and be committed to a career in teaching and research at the college or university level. Awards will be made for study in research-based Ph.D. or Sc.D. programs; practice oriented degree programs are not eligible for support.

Citizenship: All citizens, nationals, and permanent residents (holders of a Permanent Resident Card) of the United States, and individuals granted deferred action status under the Deferred Action for Childhood Arrivals Program

Deadline: January 9, 2018

Website: http://sites.nationalacademies.org/PGA/FordFellowships/PGA_047959.htm

Ford Foundation Predoctoral Fellowships

Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. Awards are made to individuals who, in the judgment of the review panels, have demonstrated superior academic

achievement, are committed to a career in teaching and research at the college or university level, show promise of future achievement as scholars and teachers, and are well prepared to use diversity as a resource for enriching the education of all students. To be eligible for a Ford Foundation Fellowship award you must be a citizen of the United States, demonstrate evidence of superior academic achievement (such as grade point average, class rank, honors or other designations), and be committed to a career in teaching and research at the college or university level. Awards will be made for study in research-based Ph.D. or Sc.D. programs; practice oriented degree programs are not eligible for support.

Citizenship: All citizens, nationals, and permanent residents (holders of a Permanent Resident Card) of the United States, and individuals granted deferred action status under the Deferred Action for Childhood Arrivals Program

Deadline: January 9, 2018

Fulbright Scholarship for U.S. Students

Fulbright offers recent graduates opportunities for personal and professional development and international experience that fosters mutual understanding among nations through study and research abroad. Created to increase mutual understanding among nations through education and cultural exchanges. Students design their own projects, which may include: university coursework, library or field research, classes in a music or art school, independent projects in the social or life sciences, assistant teach English, a combination of these or other activities.

Citizenship: U.S. Citizen

Deadline: Contact Emily Kotay (emkotay@email.arizona.edu) if you are interested in applying

Website: <http://us.fulbrightonline.org/about>

Fulbright-Hays Doctoral Dissertation Research Abroad

This program provides grants to colleges and universities to fund individual doctoral students who conduct research in other countries, in modern foreign languages and area studies for periods of six to 12 months. Projects deepen research knowledge on and help the nation develop capability in areas of the world not generally included in U.S. curricula. Projects focusing on Western Europe are not supported. Please contact me (shellh@email.arizona.edu) if you are interested in applying.

Citizenship: U.S. citizen or permanent resident

Deadline: TBD

Website: <https://grad.arizona.edu/ofce/application-support/fulbright-hays-doctoral-dissertation-research-abroad>

Hubert H. Humphrey Fellowships

The Humphrey Program brings young and mid-career professionals from designated countries to the United States for a year of non-degree graduate-level study, leadership development, and professional collaboration with U.S. counterparts.

Citizenship: Non U.S. Citizens

Deadline: October 1, 2017

Website: <https://www.humphreyfellowship.org/>

Luce Scholars

The Luce Scholars Program is a nationally competitive fellowship program. The program provides stipends, language training, and individualized professional placement in Asia for 15-18 Luce Scholars each year, and welcomes applications from college seniors, graduate students, and young professionals in a variety of fields who have had limited exposure to Asia.

Citizenship: U.S. Citizens

Deadline: See website

Website: <http://www.hluce.org/lprogram.aspx>

Margaret McNamara Educational Grants for Women from Developing Countries

For students from developing countries who are currently studying in the United States or Canada, the MMMF awards grants of approximately \$12,000 each; grants are not renewable. The MMMF also typically invites the recipients to Washington DC to participate in a three day Awards Program organized in their honor.

Citizenship: Be a national of a country listed on the MMEG Country Eligibility List (See website)

Deadline: January 16, 2017

Website: <http://www.afterschoolafrica.com/756/margaret-mcnamara-educational-grants/>

National Institute of Justice Graduate Research Fellowship Program

The NIJ Ph.D. Graduate Research Fellowship program provides awards for research on crime, violence, and other criminal justice-related topics to accredited universities that support graduate study leading to research-based doctoral degrees. NIJ invests in doctoral education by supporting universities that sponsor students who demonstrate the potential to successfully complete doctoral degree programs in disciplines relevant to the mission of NIJ (i.e., social and behavioral sciences, and science, technology, engineering, and mathematics).

Citizenship: Unrestricted

Deadline: See website

Website: <http://www.nij.gov/funding/fellowships/graduate-research-fellowship/Pages/welcome.aspx>

OAS Scholarships for Academic Studies (Undergraduate, Master's, Doctorates) for Study Abroad

The Organization of American States Academic Scholarship Program (Regular Program) grants scholarships every year for the pursuit of Master's Degrees, Doctoral Degrees and Research leading to a degree. The OAS Special Caribbean Scholarships Program (SPECAP) grants scholarships for the last two years of undergraduate studies to citizens and residents of the English-speaking Caribbean OAS Member States. In addition to these programs the OAS, through its Partnerships Program for Education and Training (PAEC), is able to offer other attractive scholarship opportunities for academic studies with the support of its partner institutions in the Americas and around the world.

Citizenship: Unspecified

Deadline: See website

Website: <http://www.oas.org/en/scholarships/>

Paul & Daisy Soros Fellowships for New Americans

The purpose of The Paul & Daisy Soros Fellowships for New Americans is to provide opportunities for continuing generations of able and accomplished New Americans to achieve leadership in their chosen fields. The Program is established in recognition of the contributions New Americans have made to American life and in gratitude for the opportunities the United States has afforded the donors and their family. Applicants must be:

- A New American (a green card holder or naturalized citizen if born abroad; a child of naturalized citizens if born in this country).
- Not yet 31 years old, as of the application deadline.
- A college senior or holder of a bachelor's degree.
- Not beyond your second year – if already enrolled -- in the graduate degree program for which you request support.

Deadline: November 1, 2017

Website: <http://www.pdsoros.org>

Schwarzman Scholars

The 200 scholars chosen annually for this highly selective program will work towards a one-year Master's Degree at Tsinghua University in Beijing-one of China's most prestigious universities. Schwarzman Scholars will be selected based on their academic credentials, extracurricular interests and leadership potential. Each student will spend the year focusing on one of four academic disciplines: public policy, economics and business, international relations and, in the future, engineering.

Citizenship: Unrestricted

Deadlines: See website

Website: <http://www.schwarzmanscholars.org/>

Fellowships in the Humanities and Social Sciences

American Psychological Association Dissertation Research Award

The Science Directorate of the American Psychological Association sponsors an annual competition for dissertation research funding. The purpose of the Dissertation Research Award program is to assist science-oriented doctoral students of psychology with research costs. The current program includes 30-40 grants of \$1,000 each, along with several larger grants of up to \$5,000 to students whose dissertation research reflects excellence in scientific psychology.

Citizenship: Unspecified

Deadline: September 1, 2017

Website: <http://www.apa.org/about/awards/scidir-dissertre.aspx>

Charlotte W. Newcombe Doctoral Dissertation Fellowships in Ethics and Religion

The Charlotte W. Newcombe Doctoral Dissertation Fellowships are designed to encourage original and significant study of ethical or religious values in all fields of the humanities and social sciences, and particularly to help Ph.D. candidates in these fields complete their dissertation work in a timely manner. In addition to topics in religious studies or in ethics (philosophical or religious), dissertations appropriate to the Newcombe Fellowship competition might explore the ethical implications of foreign policy, the values influencing political decisions, the moral codes of other cultures, and religious or ethical issues reflected in history or literature.

Citizenship: Unspecified

Deadline: November 15, 2017

Website: www.woodrow.org/fellowships/newcombe

Confucius China Studies Joint Research Ph.D. Fellowship

The Confucius China Studies Program (CCSP) Fellowship offers generous funding to students in doctoral programs at U.S. institutions who are pursuing China-related research across a broad range of fields in the arts, education, humanities and social sciences. Successful applicants will be supported for a period of at least six months to up to two years as they pursue research at one of 15 designated universities in China.

Citizenship: Must not be a citizen of China or Taiwan

Deadline: See website

Website: www.iie.org/CCSP

Duke Fellowships for Promotion of Child Well-Being

The \$25,000 fellowships are designed to develop a new generation of leaders capable of creating practice and policy initiatives that will enhance child development and improve the nation's ability to prevent child maltreatment. Fellows can be based at any academic institution in the US and are selected from a range of academic disciplines, including but not limited to social work, public health, medicine, public policy, education, economics, psychology, and epidemiology. Fellows receive an annual stipend of \$25,000 for up to two years to support the completion of their dissertation and related research at their academic institution.

Deadline: December 1, 2017

Website: <http://www.dorisdukefellowships.org/>

Henry Frank Guggenheim Dissertation Fellowships

These fellowships of \$20,000 each are designed to contribute to the support of the doctoral candidate to enable him or her to complete the thesis in a timely manner and are only appropriate for students approaching the final year of their Ph.D. work. Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects. Dissertations with no relevance to understanding human violence and aggression will not be supported. Priority will also be given to areas and methodologies not receiving adequate attention and support from other funding sources.

Citizenship: Not specified

Deadline: February 1

Website: www.hfg.org/df/guidelines.htm

International Dissertation Research Fellowship (IDRF)

The Mellon International Dissertation Research Fellowship (IDRF) offers nine to twelve months of support to graduate students in the humanities and humanistic social sciences who are enrolled in PhD programs in the United States and conducting dissertation research on non-US topics. Eighty fellowships are awarded annually. Fellowship amounts vary depending on the research plan, with a per-fellowship average of \$20,000. The fellowship includes participation in an SSRC-funded interdisciplinary workshop upon the completion of IDRF-funded research.

Citizenship: Unrestricted

Deadline: November 7, 2017

Website: www.ssrc.org/fellowships/idrf-fellowship

James Madison Memorial Fellowships

The James Madison Memorial Fellowships are awarded to U.S. citizens who demonstrate a commitment to civic responsibilities and to professional and collegial activities and who qualify for admission with graduate standing at an accredited U.S. university that offers a qualifying master's degree program. Applicants must be committed to teaching American history, American government, and/or social studies full time in grades 7–12.

Citizenship: U.S. citizen or national

Deadline: March 1, 2018

Website: <http://www.jamesmadison.com/>

Mellon/ACLS Dissertation Completion Fellowships

ACLS invites applications for the annual competition for the Mellon/ACLS Dissertation Completion Fellowships, which support a year of research and writing to help advanced graduate students in the humanities and related social sciences in the last year of Ph.D. dissertation writing. The program encourages timely completion of the Ph.D. Applicants must be prepared to complete their dissertations within the period of their fellowship tenure and no later than August 31, 2017. A grant from The Andrew W. Mellon Foundation supports this program.

Citizenship: Unrestricted

Deadline: October 25, 2017

Website: www.acls.org/programs/dcf/

Mellon Fellowships for Dissertation Research in Original Sources

The Council on Library and Information Resources (CLIR) is pleased to offer fellowships generously funded by The Andrew W. Mellon Foundation for dissertation research in the humanities or related social sciences in original sources. The purposes of this fellowship program are to: Help junior scholars in the humanities and related social science fields gain skill and creativity in developing knowledge from original sources; enable dissertation writers to do research wherever relevant sources may be, rather than just where financial support is available; encourage more extensive and innovative uses of original sources in libraries, archives, museums, historical societies, and related repositories in the U.S. and abroad; and provide insight from the viewpoint of doctoral candidates into how scholarly resources can be developed for access most helpfully in the future.

The program offers about fifteen competitively awarded fellowships a year. Each provides a stipend of \$2,000 per month for periods ranging from 9-12 months.

Citizenship: Unrestricted

Deadline: TBD (Around December 2)

Website: www.clir.org/fellowships/mellon

NAEd/Spencer Dissertation Fellowship Program

The Dissertation Fellowship Program seeks to encourage a new generation of scholars from a wide range of disciplines and professional fields to undertake research relevant to the improvement of education. These \$27,500 fellowships support individuals whose dissertations

show potential for bringing fresh and constructive perspectives to the history, theory, analysis, or practice of formal or informal education anywhere in the world.

Citizenship: Unrestricted

Deadline: October 5, 2017

Website: http://www.naeducation.org/naed_080200.htm

Newberry Fellowships

Fellowships at the Newberry provide support for researchers who wish to use the collection. The Newberry administers annual competitions for both Short-Term Fellowships of one to two months and Long-Term Fellowships of four to twelve months.

Citizenship: Unrestricted

Deadline: Varied - see website

Website: www.newberry.org/fellowships

Fellowships in Science, Technology, Engineering, and Math

African Women in Agricultural Research and Development Fellowships

African women working in agricultural research and development from Ethiopia, Ghana, Kenya, Liberia, Malawi, Mozambique, Nigeria, Rwanda, Tanzania, Uganda, or Zambia who have completed a bachelor's, master's or doctoral degree in selected disciplines are invited to apply.

Applicants must be nationals of the above listed countries and be available in Africa throughout the fellowship period.

Citizenship: Applicants must be nationals of the above listed countries.

Deadline: Unspecified

Website: <http://awardfellowships.org/>

Christine Mirzayan Science & Technology Policy Graduate Fellowships

Graduate and professional school students and those who have completed graduate studies (degree awarded) within the last five years may apply. Areas of study may include any social/behavioral science, medical/health discipline, physical or biological science, any field of engineering, law/business/public administration, or any relevant interdisciplinary fields.

Citizenship: U.S. Citizen

Deadline: September 8, 2017

Website: <http://sites.nationalacademies.org/pgf/policyfellows/>

Department of Energy Computational Science Graduate Fellowship

The Department of Energy Computational Science Graduate Fellowship (DOE CSGF) program provides outstanding benefits and opportunities to students pursuing doctoral degrees in fields of study that use high performance computing to solve complex science and engineering problems.

Those studying engineering and the physical, computer, mathematical or life sciences are encouraged to apply provided they meet the eligibility requirements. Fellowship support is available for four years and must be renewed annually.

Citizenship: U.S. Citizens or permanent residents

Deadline: January 18, 2017

Website: <http://www.krellinst.org/csgf>

DOE Office of Science Graduate Student Research (SCGSR) Program

The goal of the Office of Science Graduate Student Research (SCGSR) program is to prepare graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE Office of Science mission, by providing graduate thesis research opportunities at DOE laboratories. The SCGSR program provides supplemental awards to outstanding U.S. graduate students to pursue part of their graduate thesis research at a DOE laboratory in areas that address scientific challenges central to the Office of Science mission. The research opportunity is expected to advance the graduate students' overall doctoral thesis while providing access to the expertise, resources, and capabilities available at the DOE laboratories. Eligibility: U.S. Citizen or Permanent Resident

Deadline: Varies, see website

Website: <http://science.energy.gov/wdts/scgsr/>

DOE Science, Mathematics And Research for Transformation (SMART) Scholarship for Service

The SMART Scholarship for Service Program has been established by the Department of Defense (DoD) to support undergraduate and graduate students pursuing technical degrees in Science, Technology, Engineering and Mathematics (STEM) disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

Eligibility: United States, Australia, Canada, New Zealand, or United Kingdom

Deadline: December 1, 2017

Website: <https://smart.asee.org/>

Facebook Fellowship

The Facebook Fellowship Program and Emerging Scholar Awards are designed to encourage and support promising doctoral students who are engaged in innovative and relevant research in areas related to computer science and engineering. While open to students in any year of PhD study, a heavy emphasis on research and publication record for Facebook Fellowships favor students who are further along in their course of study. First or second year PhD students who are members of a minority group that is underrepresented in the technology sector have the option of being evaluated for an emerging scholar award.

Citizenship: Unrestricted

Deadline: October 31, 2017

Website: https://research.fb.com/programs/fellowship/#Eligibility_Criteria
<https://research.fb.com/programs/fellowship>

GEM Consortium Fellowships

The mission of The National GEM Consortium is to enhance the value of the nation's human capital by increasing the participation of underrepresented groups (African Americans, American Indians, and Hispanic Americans) at the master's and doctoral levels in engineering and science. GEM provides three Fellowship Programs. MS Engineering Fellowship Program: The objective of this program is to promote the benefits of a masters degree within industry. Ph.D. Engineering Fellowship: The objective of this program is to offer doctoral fellowships to underrepresented minority students who have either completed, are currently enrolled in a master's in engineering program, or received admittance into a PhD program directly from a bachelor's degree program.

Ph.D. Science Fellowship: The goal of this program is to increase the number of minority students who pursue doctoral degrees in the natural science disciplines.

Citizenship: U.S. citizen or permanent resident

Deadline: November 13

Website: <http://www.gemfellowship.org/students/gem-fellowship-program/>

Grand Challenges for Engineering International Scholarships - Vest Scholarships

The Charles M. Vest NAE Grand Challenges for Engineering International Scholarships International Scholarship Program provides a new opportunity for graduate students at selected international universities to pursue research addressing a global Grand Challenge at a leading United States university - with all expenses paid for a year of travel and study.

Citizenship: Unrestricted

Deadline: November 1, 2017

Website: <https://vestscholars.org/>

Hertz Fellowships

The Foundation supports graduate students working towards the Ph.D. degree in the applied physical, biological and engineering sciences. These fields include applied mathematics, statistics, and quantitative aspects of modern biology. Applicants must be willing to morally commit to make their skills available to the United States in time of national emergency.

Citizenship: U.S. citizen or permanent residents of the United States of America

Deadline: October 27, 2017

Website: <http://www.hertzfoundation.org>

National Defense Science and Engineering Graduate Fellowship Program (NDSEG)

The National Defense Science and Engineering Graduate Fellowship Program (NDSEG) of the US Department of Defense is intended for students at or near the beginning of graduate study for doctoral degrees in mathematical, physical, biological, and engineering sciences. It is a three-year award, which includes a stipend, plus full tuition and fees, not including room and board.

Citizenship: US citizens or nationals

Deadline: TBD

Website: <http://ndseg.asee.org/>

National Physical Science Consortium Graduate Fellowship

The National Physical Science Consortium is a partnership between government agencies and laboratories, industry, and higher education. NPSC's goal is to increase the number of American citizens with graduate degrees in the physical sciences and related engineering fields, emphasizing recruitment of a diverse applicant pool including women and minorities. The NPSC Graduate Fellowship is unique in being: open to all American citizens; lasting for up to six years; providing a \$20,000 annual stipend; covering tuition; allowing a fellow also to hold a research or teaching assistantship; including one or two paid summer internships with a government agency; providing a mentor and the opportunity for a lasting relationship with the sponsor.

Citizenship: U.S. Citizen

Deadline: November 30, 2017

Website: <http://www.npsc.org/>

National Science Foundation Doctoral Dissertation Improvement Grants

NSF award grants to doctoral students to improve the quality of dissertation research. These grants provide funds for items not normally available through the student's university. Additionally, these grants allow doctoral students to undertake significant data-gathering projects and to conduct field research in settings away from their campus that would not otherwise be possible. Proposals are judged on the basis of their scientific merit, including the theoretical importance of the research question and the appropriateness of the proposed data and methodology to be used in addressing the question.

Citizenship: Unrestricted

Deadlines: varied (apply under your appropriate NSF directorate)

Website: https://www.nsf.gov/funding/education.jsp?fund_type=2 see various NSF directorates for specific information

National Science Foundation Graduate Research Fellowships (NSF GRFP)

The National Science Foundation aims to ensure the vitality of the human resource base in biological science, technology, engineering, mathematics, physical science, earth science, and social science in the United States and to reinforce its diversity by offering approximately 1,000 graduate fellowships in this competition. The Graduate Research Fellowship provides three years of support for graduate study leading to research-based masters or doctoral degrees and is intended for students who are at the early stages of their graduate study.

Applicant Support is available for U of A students who register here:

<https://grad.arizona.edu/ofce/application-support-programs/nsf-graduate-research-fellowship-program>

Citizenship: US citizen, US national, or permanent resident

Deadline: Oct 23 – Nov 2 (varies according to discipline)

Website: <http://www.nsfgrfp.org/>

Wildlife Conservation Society Graduate Scholarships

The Wildlife Conservation Society Graduate Scholarship Program provides access to international standard graduate education opportunities (master's or doctoral programs) to exceptional conservationists from Asia/Pacific, Africa, Latin America, and North American indigenous groups with interests in terrestrial or marine conservation issues at the local, regional, or national level. Only applicants nominated by WCS country program directors will be considered. No unsolicited applications are reviewed or acknowledged.

Citizenship: Nominees should be a citizen of the country from which they are nominated

Deadline: April, 2018

Website: <https://www.wcs.org/about-us/grants/graduate-scholarship-program>

Postdoctoral Fellowships

NSF Social, Behavioral and Economic Sciences Postdoctoral Research Fellowships

NSF's Directorate for Social, Behavioral and Economic Sciences (SBE) offers Postdoctoral Research Fellowships in two tracks: Broadening Participation (SPRF-BP), and Interdisciplinary Research in Behavioral and Social Sciences (SPRF-IBSS).

Citizenship: U.S. citizen, national, or legally admitted permanent resident alien of the United States

Deadline: November 1, 2017

Website: https://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504810

Schlumberger Foundation Fellowship for Women from Developing and Emerging Economies

Faculty for the Future fellowships are awarded to women from developing and emerging economies who are preparing for PhD or post-doctoral study in the physical sciences, engineering, or related disciplines to pursue advanced graduate study at top universities in their disciplines abroad. Related disciplines may also be awarded. For example, awards in biological sciences are limited to interdisciplinary research between physical and biological sciences.

Citizenship: Citizen of a developing country

Deadline: November 17, 2017

Website: <http://www.afterschoolafrica.com/619/schlumberger-foundation-fellowship/>

Science & Technology Policy Fellowships

Providing opportunities for scientists and engineers to learn first-hand about policymaking while contributing their knowledge and analytical skills in the federal policy realm. AAAS seeks candidates from a broad array of backgrounds and a diversity of geographic, disciplinary, gender, and ethnic perspectives as well as disability status. Fellows have ranged in age from late 20s to early 70s. They represent a spectrum of career stages, from recent PhD graduates to faculty on sabbatical to retired scientists and engineers. Fellows also come from a range of sectors, including academia, industry, non-profit organizations, and government labs.

Citizenship: U.S. Citizen

Deadline: November 1, 2017

Website: <https://www.aaas.org/program/science-technology-policy-fellowships>

Sloan Research Fellowships

The Sloan Research Fellowships seek to stimulate fundamental research by early-career scientists and scholars of outstanding promise. These two-year fellowships are awarded yearly to researchers in recognition of distinguished performance and a unique potential to make substantial contributions to their field. Candidates must hold a Ph.D. (or equivalent) in chemistry, computational or evolutionary molecular biology, computer science, economics, mathematics, neuroscience, ocean sciences (including marine biology), physics, or a related field.

Citizenship: Unspecified

Deadline: September 15, 2017

Website: <https://sloan.org/fellowships/>

UNESCO-L'Oreal International Fellowships for Young Women in Life Sciences

Each year, 15 young female researchers at doctoral or postdoctoral levels are awarded a fellowship to enhance their expertise in renowned institutions around the world. The Fellowships are worth up to US\$40,000 each and are awarded for a period of up to two years for scientists to undertake projects outside of their home country.

Citizenship: Unrestricted

Deadline: See website
