

## Summer 2019 GradFunding Newsletter – National Geographic, American Institute of Indian Studies, Tylenol Future Care, and more

*Dear Graduate Students,*

*Congratulations on reaching the end of the semester! For those who are finishing your graduate work and want to get off this list, please send me an email stating, “remove from GradFunding list.”*

*This is our last GradFunding newsletter until August. As you are planning applications for the fall, you might want to have a look at our big list of favorite fellowships:*

## **General Funding Opportunities**

### **American Institute of Indian Studies – Dissertation Research Fellowships and Performing/Creative Arts Fellowships**

For more than 50 years, the American Institute of Indian Studies has provided funding to pre- and post-doctoral scholars and artists in pursuit of knowledge about India.

Junior Research Fellowships are available to doctoral candidates at U.S. universities in all fields of study. These grants are specifically designed to enable doctoral candidates to pursue their dissertation research in India. Junior Research Fellows establish formal affiliation with Indian universities and Indian research supervisors. Awards are available for up to 11 months.

Senior Performing and Creative Arts Fellowships are available to accomplished practitioners of the performing arts of India and creative artists who demonstrate that study in India would enhance their skills, develop their capabilities to teach or perform in the U.S., enhance American involvement with India's artistic traditions or strengthen their links with peers in India.

Citizenship: Unrestricted

Deadline: July 1, 2019

Website: <http://www.indiastudies.org/research-fellowship-programs/>

### **Explorers Club Grants**

The Explorers Club is proud of its history but also looks toward the future by recognizing the importance of new ideas and avenues of exploration. The Club is deeply committed to supporting the fieldwork of serious researchers and, as part of its public service commitment, offers exploration grants. This category of grant supports exploration and field research for those who are just beginning their research careers. The average award is approximately \$2,500

### **Fulbright U.S. Student Program**

The Fulbright U.S. Student Program offers opportunities for students and young professionals to undertake international graduate study, advanced research, university teaching, and primary and secondary school teaching worldwide. The program currently awards approximately 1,900 grants annually in all fields of study, to go to more than 140 countries worldwide.

If you are interested in applying or simply want more information, contact the Office of Nationally Competitive Scholarships (oncs@email.arizona.edu). Students must apply through this office.

### **National Geographic Society Grant Opportunities**

The National Geographic Society currently offers three types of grant applications—Early Career, Exploration, and Requests for Proposals.

All proposed projects should be bold, innovative, and potentially transformative and have a primary focus in conservation, education, research, storytelling, or technology. Projects should also align to one of our three focus areas.

Citizenship: Unrestricted

Deadline: See website

Website: <https://www.nationalgeographic.org/grants/grant-opportunities/>

### **National Institute for Transportation and Communities Diversity Grants**

NITC has funds available to support underrepresented undergraduate and graduate students participating in transportation research. The goal of the program is to expose and encourage women and people of color to transportation research and job training opportunities. PIs can request up to \$5,000 for an undergraduate student or \$7,500 for a graduate student.

Citizenship: Unspecified

Deadline: Rolling

Website: <http://nitc.trec.pdx.edu/funding/diversity-grants>

### **National Institute for Transportation and Communities Dissertation Grants**

Doctoral Dissertation Research Fellowships of up to \$15,000 to cover expenses for the recipient while working on a dissertation consistent with NITC's theme of:

Improving the mobility of people and goods to build strong communities.

Citizenship: Unspecified

Deadlines: Likely end of May (see website)

### **Science and Humanities Communication Fellowship - UA Museum of Art**

Are you an artist, historian, scientist, or researcher looking to share your work with the public?

The University of Arizona Museum of Art, a partner in the Portal to the Public Network, is now recruiting science and humanities experts for its Fall program. Become a Science and Humanities Communication Fellow and develop skills and experience to help you connect with your audience and share your work with the broader public. Participants from various research and expertise backgrounds train together to encourage the sharing of ideas, insights, and expertise.

Citizenship: Unspecified

Deadline: June 1

## **Arts, Humanities, and Social Sciences**

### **American Psychological Association Dissertation Research Award**

The Science Directorate of the American Psychological Association sponsors an annual competition for dissertation research funding. The purpose of the Dissertation Research Award program is to assist science-oriented doctoral students of psychology with research costs. The current program includes 30-40 grants of \$1,000 each, along with several larger grants of up to \$5,000 to students whose dissertation research reflects excellence in scientific psychology.

Citizenship: Unspecified

Deadline: September 1, 2019

### **College Art Association Professional-Development Fellowships**

CAA's Professional-Development Fellowships program supports promising artists, designers, craftspersons, historians, curators, and critics who are enrolled in MFA, PhD, and other terminal degree programs nationwide. Fellows are honored with \$10,000 grants to help them with various aspects of their work, whether it be for job-search expenses or purchasing materials for the studio. CAA believes a grant of this kind, without contingencies, can best facilitate the transition between graduate studies and professional careers. One award will be presented to a practitioner—an artist, designer, and/or craftsperson—and one award will be presented to an art, architecture, and/or design historian, curator, or critic.

Citizenship: U.S. citizen or permanent resident

Deadline: TBA

### **Huntington Research Fellowships**

The Huntington is an independent research center with holdings in British and American history, literature, art history, and the history of science and medicine. The Library collections range chronologically from the eleventh century to the present and include seven million manuscripts, 420,000 rare books, 275,000 reference works, and 1.3 million photographs, prints, and ephemera. The Burndy Library consists of some 67,000 rare books and reference volumes in the history of science and technology, as well as an important collection of scientific instruments. Within the general fields listed above there are many areas of special strength, including: Middle Ages, Renaissance, 19th- and 20th-century literature, British drama, Colonial America, American Civil War, Western America, and California. The Art Collections contain notable British and American paintings, fine prints, photographs, and an art reference library. In the library of the Botanical Gardens is a broad collection of reference works in botany, horticulture, and gardening. The Huntington will award to scholars over 150 fellowships for the academic year 2017-2018. These fellowships derive from a variety of funding sources and have different terms. Recipients of all fellowships are expected to be in continuous residence at the Huntington and to participate in and make a contribution to its intellectual life. Fellowship tenure is one to five months and award amount is \$3,000/month.

### **John F. Kennedy Library Foundation Fellowships**

The John F. Kennedy Library Foundation offers competitive research fellowships every year to scholars and students who wish to make use of the archival holdings (including audiovisual materials) of the John F. Kennedy Presidential Library. Topics include, but are not limited to, foreign intelligence and the presidency; research on immigration, naturalization, or refugee policy; and research on domestic policy, political journalism, polling, or press relations.

Citizenship: not specified

Deadline: September

### **Lilly Library Fellowships - Indiana University at Bloomington**

The Lilly Library invites applications for visiting fellowships for research in residence in its collections. The Lilly Library is the principal rare book and manuscript library of Indiana University. Its holdings support research in British, French, and American literature and history; the literature of voyages and exploration, specifically the European expansion in the Americas; early printing, and the Church, children's literature, music; film, radio and television; medicine, science, and architecture; and food and drink. The Everett Helm Visiting Fellowship program supports research and provides access to the collections of the Lilly Library for scholars residing outside the Bloomington area. The Mendel Fellowships are intended to support research by scholars from around the world in areas of particular interest to the Mendels, including: the history of the Spanish Colonial Empire; Latin American independence movements; European expansion in the Americas; voyages, travels and exploration; geography, navigation and cartography; German literature and history; and music, including sheet music.

### **Ucross Foundation for Spring Artist Residencies**

My favorite fellowships are those that provide lunch; this one does, although it also doesn't come with a stipend, but some things are more important than money, like lunch. Founded in 1981, the Ucross Foundation provides uninterrupted time, work space, and living accommodations to competitively selected visual artists, writers, and composers. Nearly thirteen hundred individuals from every state in the U.S. as well as from Germany, France, Scotland, England, Poland, Egypt, the Netherlands, Canada, and Thailand, have spent time at Ucross since it first opened its doors in Sheridan, Wyoming. Residencies vary from two to six weeks. At any one time, there are up to nine individuals in residence, representing a mix of visual artists, writers, and composers. In most cases, studios are separate from living quarters. Lunch and dinners are prepared Monday to Friday by a professional chef with ample provisions on hand for breakfasts and weekends. There is no charge for a residency. Artists, writers, and composers from around the United States and the world, in any stage of their professional career, are invited to apply to work on an individual or collaborative project.

Citizenship: Unrestricted

Deadline: October 1 for Spring Session

## **Opportunities in Science, Technology, Engineering, and Math**

### **ABC Humane Wildlife Academic Scholarship – Women In STEM**

As a woman-owned corporation operating in a largely male field, we understand the remarkable impact women can have. We want to pave the way for other women pursuing their dreams in the scientific world, which is why ABC Wildlife is introducing a scholarship designed to increase the number of women studying and influencing the future of science, including technology, engineering and math.

Citizenship: Unrestricted

Deadline: July 1

### **Forensic Sciences Foundation, Inc. (FSF) Jan S. Bashinski Criminalistics Graduate Thesis Assistance Grant**

The Jan S. Bashinski Criminalistics Graduate Thesis Assistance Grant is to provide graduate students with financial assistance to complete their thesis or independent research project as required for a graduate degree in Criminalistics/Forensic Sciences. The thesis or research project must be in the field of Criminalistics/Forensic Sciences. The Jan Grant award is \$1,700. In addition, up to \$1,300 is available for travel expenses to attend a future American Academy of Forensic Sciences (AAFS) Annual Scientific Meeting where the awardee has an approved platform presentation of the completed research. The funding must be used to complete the research project.

Citizenship: Unspecified

Deadline: July 31

### **GEM Fellowship Program**

The National GEM Consortium provides three Fellowship Program. The MS Engineering Fellowship Program provides practical engineering summer work experiences through an employer sponsor and a portable academic year fellowship. The Ph.D. Engineering Fellowships offer doctoral fellowships to underrepresented minority students who have either completed, are currently enrolled in a master's in engineering program, or received admittance into a PhD program. The Ph.D. Science Fellowship aims to increase the number of minority students who pursue doctoral degrees in the natural science disciplines — chemistry, physics, earth sciences, mathematics, biological sciences, and computer science.

Citizenship: Applicants must be U.S. citizen or U.S. permanent resident at the time of application

Deadline: November 12

Website: <http://www.gemfellowship.org/students/gem-fellowship-program/>

### **National Energy Technology Laboratory (NETL) Methane Hydrates Fellowship Program (also a postdoc program)**

The National Academies of Sciences, Engineering, and Medicine, in association with the U.S. Department of Energy's National Energy Technology Laboratory (NETL), administers a Research Fellowship Program designed to support the development of Methane Hydrate science and enable highly qualified graduate and postgraduate students to pursue advanced degrees and training in an area of increasing national interest.

Citizenship: U.S. Citizen

### **Tylenol Future Care Scholarship**

An independent selection committee will evaluate the applications and select the recipients considering: college GPA; academic records in public health/health education, med school, nursing and/or pharmacy; community involvement/volunteer service; essay content.

- Up to 20 scholarships ranging from \$500-\$2500 will be awarded annually.
- 10 - \$10,000 scholarships will be awarded annually.
- 30 - \$5,000 scholarships will be awarded annually.

The scholarships will be applied to tuition, fees, books, supplies and equipment required for course load. If the applicant is a graduate student he or she must be able to provide proof of enrollment to a graduate program in public health/health education, med school, nursing and/or pharmacy degree program.

Citizenship: USA, Puerto Rico, or DC

Deadline: June 2019

Website: <http://www.tylenol.com/news/scholarship>

### **WaterReuse Arizona Scholarships**

WaterReuse Arizona will award two (2) scholarships of two-thousand five hundred dollars (\$2,500) each to Arizona university and college students. The purpose of this award is to encourage full-time students with a focus on wastewater reclamation, water reuse, and/or desalination.

Citizenship: Unspecified

Deadline: June 15

## **Postdoctoral Opportunities**

### **AAAS Science & Technology Policy Fellowships (STPF)**

AAAS Science & Technology Policy Fellowships (STPF) provide opportunities to outstanding scientists and engineers to learn first-hand about policy-making while contributing their knowledge and analytical skills to the federal policy-making process. Fellows serve yearlong assignments in the executive, legislative, and judicial branches of the federal government in Washington. Applicants must hold a doctoral level degree (Ph.D., Sc.D., M.D., DVM, EdD, etc.\*), in any of the following: Medical and Health sciences; Biological, Physical or Earth

sciences; Social and Behavioral sciences; Computational sciences and Mathematics; Engineering disciplines (applicants with a MS in engineering and three years of professional engineering experience also qualify).

Citizenship: U.S. citizen

Deadline: November 1, 2019

Website: <https://www.aaas.org/page/stpf/become-st-policy-fellow>

### **Alcohol Research Group Postdoctoral Fellowship**

The Alcohol Research Group postdoctoral training program is oriented toward the pursuit of alcohol-related research. Scholars who are new to alcohol studies are welcome to apply. Recent doctoral graduates are eligible if they are seeking a transition from related fields of study or if they are continuing previous study in the field. Established faculty are eligible if they have not previously conducted research in alcohol studies.

Citizenship: U.S. citizens or permanent residents

Deadline: June 30, 2019

Website: <http://arg.org/training/postdoctoral-fellowship/>

### **American Institute of Indian Studies – Senior Research Fellowships**

Senior Research Fellowships are available to scholars with a PhD or its equivalent. These grants are designed to enable scholars who specialize in South Asia to pursue further research in India and to establish formal affiliation with an Indian institution. Short-term awards are available for up to four months. Long-term awards are available for six to nine months. A limited number of humanists will be granted fellowships paid in dollars funded by the National Endowment for the Humanities.

Citizenship: See website

Deadline: July 1, 2019

Website: <http://www.indiastudies.org/research-fellowship-programs/>

### **Burroughs Wellcome Fund-ASTMH Postdoctoral Fellowship in Tropical Infectious Diseases**

The Burroughs Wellcome Fund-ASTMH Postdoctoral Fellowship in Tropical Infectious Diseases was established in 1999 to support career development of physician/scientists focused on infectious diseases of the developing world. Thanks to a generous grant from the Burroughs Wellcome Fund, these fellowships provide funding for selected individuals to conduct research in tropical infectious diseases (and, on occasion, other clinical conditions unique to tropical medicine). The fellowship is designed to stimulate or sustain interest in research in tropical infectious diseases by individuals who are planning academic or other career paths ultimately focused on clinical research relevant to tropical or developing areas of the world.

Deadline: see website

Website: <https://www.astmh.org/awards-fellowships-medals/astmh-sponsored-fellowships>

### **CDC Epidemic Intelligence Service Officers**

EIS officers are selected from among highly qualified applicants drawn to public health service and interested in practicing applied epidemiology. EIS officers may be assigned to work in the areas of infectious diseases, chronic diseases, injury prevention, environmental health, or occupational health, either at CDC, or at another federal agency, state, or local health department. Qualifying degree must have background in public health or one of its related disciplines (e.g., epidemiology, biostatistics, health informatics, health policy and services, behavioral health, environmental or occupational health, injury prevention, or nutritional sciences)

Citizenship: U.S. citizen and permanent residents as well as limited number of non-citizens

Deadline: May 22, 2019

Website: <https://www.cdc.gov/eis/application/index.html>

### **Fulbright Scholar Program**

The Fulbright Scholar Program offers teaching, research or combination teaching/research awards in over 125 countries. Opportunities are available for college and university faculty and administrators as well as for professionals, artists, journalists, scientists, lawyers, independent scholars and many others. Interested faculty and professionals are encouraged to learn more about these opportunities, and hundreds of others, by visiting the Catalog of Awards.

Citizenship: U.S. citizenship

Deadline: August 1, 2019

Website: <http://www.cies.org/program/postdoc>

If you intend to apply for a Fulbright Scholar award, please notify Dale LaFleur, the UA Fulbright Scholar Campus Representative, at [dlaflour@email.arizona.edu](mailto:dlaflour@email.arizona.edu). (For information on the Fulbright U.S. Student Program, visit <http://www.honors.arizona.edu/oncs> )

### **Human Frontier Science Program (HFSP) Postdoctoral Fellowships**

HFSP postdoctoral fellowships encourage early career scientists to broaden their research skills by moving into new areas for study while working in a new country. HFSP fellowships are for three years. Fellows may choose to stay for up to three years in the host country or use the last year of their fellowship to return to their home country or to move to another HFSP member country. Long-Term Fellowships (LTF) are for applicants with a Ph.D. in a biological discipline, who will broaden their expertise by proposing a project in the life sciences which is significantly different from their previous Ph.D. or postdoctoral work. Cross-Disciplinary Fellowships (CDF) are for applicants with a Ph.D. from outside the life sciences (e.g. in physics, chemistry, mathematics, engineering or computer sciences), who have had limited exposure to biology during their previous training.

Citizenship: unrestricted

Deadline: August 8, 2019

Website: <http://www.hfsp.org/funding/postdoctoral-fellowships>

### **National Research Council Postdoctoral and Senior Research Awards**

The National Academies of Sciences, Engineering, and Medicine conducts the NRC Postdoctoral and Senior Awards program which offers competitive awards four times a year for postdoctoral

and senior scientific research to be conducted in residence at participating US federal laboratories and affiliated institutions. Areas of research include infectious diseases, medical parasitology, epidemiology, malaria, enteric diseases, medical entomology, vaccine development and related diseases. Award recipients design their own projects to be compatible with the research interests of the sponsoring laboratory.

Deadlines: February 1, May 1, August 1, and November 1.

Citizenship: Restrictions vary according to position

Website: <http://sites.nationalacademies.org/pga/rap/>

### **NSF Mathematical Sciences Postdoctoral Research Fellowships**

The purpose of the MSPRF is to support future leaders in mathematics and statistics by facilitating their participation in postdoctoral research environments that will have maximal impact on their future scientific development. There are two options for awardees: Research Fellowship and Research Instructorship. Awards will support research in areas of mathematics and statistics, including applications to other disciplines.

Citizenship: United States

Deadline: October 16, 2019

### **Nurse Corps Scholarship Program**

The Nurse Corps Scholarship Program (Nurse Corps SP) provides scholarships to nursing students in exchange for a minimum two-year full-time service commitment (or part-time equivalent), at an eligible health care facility with a critical shortage of nurses.

Citizenship: U.S. citizen (born or naturalized), a national, or a lawful permanent resident;

Deadline: May 21, 2019

Website: <https://bhw.hrsa.gov/loansscholarships/nursecorps/scholarship>

### **Radcliffe Institute Fellowship Program**

The Radcliffe Institute Fellowship Program is a scholarly community where individuals pursue advanced work across a wide range of academic disciplines, professions, and creative arts. Radcliffe Institute fellowships are designed to support scholars, scientists, artists, and writers of exceptional promise and demonstrated accomplishment who wish to pursue work in academic and professional fields and in the creative arts. In recognition of Radcliffe's historic contributions to the education of women and to the study of issues related to women, the Radcliffe Institute sustains a continuing commitment to the study of women, gender, and society. Applicants' projects need not focus on gender, however. Applications are accepted in the humanities, social sciences, creative arts, natural sciences, and mathematics.

Citizenship: Unrestricted

Deadline: Website should be updated soon!

### **Science & SciLifeLab Prize for Young Scientists**

The Prize is awarded annually to one young scientist for outstanding life science research for which he/she was awarded a doctoral degree in the previous two years. The topic of the entrant's thesis research must be in one of the following categories: Cell and Molecular Biology; Genomics, Proteomics and Systems Biology; Ecology and Environment; Molecular Medicine. Eligible entrants must have been awarded their doctoral degree in 2017 or 2018.

Citizenship: Unrestricted

Deadline: July 15, 2019

Website: <http://www.sciencemag.org/science-scilifelab-prize-young-scientists>

### **Washington Research Foundation Postdoctoral Fellowship**

WRF supports STEM research at nonprofit institutions in Washington state, with a focus on life sciences and enabling technologies.

WRF will support up to 10 new highly creative and dedicated postdoctoral scientists each year at research institutions in Washington state. Fellows will conduct groundbreaking work on their own original projects addressing unmet public needs. Our ultimate goal is for the Fellows' research to benefit the public through the creation of products and services.

Citizenship: U.S. citizen or permanent resident (Green Card holder)
