

## **MASTERS TO DOCTORATE**

### **SAMPLE LANGUAGE FROM BIOMEDICAL ENGINEERING:**

Any BME GIDP student wishing to transfer from their current MS program into the PhD program must complete the following:

1. A signed petition submitted to the BME GIDP Program Coordinator asking for a direct program transfer (without receiving an M.S.) to the PhD program.
2. Letter of support from mentor ( PI) stating that the candidate:
  - a. Is in good academic standing (GPA 3.0 or higher) (Satisfactory Progress – from Graduate college website – <http://grad.arizona.edu/academics/policies/academic-policies/satisfactory-academic-progress>).
  - b. Will have continued mentor support (funding) while matriculating in the program (or until graduation).
