FROM STATISTICS GIDP:

For students undertaking an MS thesis in Statistics, a *thesis committee* must be formed prior to registration for STAT 910. For the thesis, students must develop a (formal or informal) proposal of sufficient academic merit and on a topic of sufficient scholarly impact to satisfy their committee. Work proceeds on the research via the thesis course STAT 910, under the direction of the candidate's advisor and using the skills and knowledge of the larger committee where appropriate.
