JOIN AWARDS!

UA College of Education + Undergraduate Research Opportunities Consortium (UROC) have teamed up to offer the Access, Wellness, and Relational Determinants of School Success (AWARDSS) program - a flexible, high quality, competency-based research apprenticeship with potential for real-world impact on US Education. This program was specifically designed to be culturally inclusive and for nontraditional and underrepresented students.

This program is funded by the Institute of Educational Sciences (#R305B160003), summer tuition waivers and fees are generously offered by the Graduate College.
