

UNIVERSITY OF ARIZONA
Graduate College
Undergraduate Research Opportunities Consortium

Programs:
UROC-PREP & STAR

Deadline: Nov. 15

Open to all majors

Interested in **research** and **preparing for graduate school**?

Are you graduating **May 2018**?

Then **apply now** for the UROC-PREP or STAR program!

PROGRAM OVERVIEW

SPRING 2017: Students begin the program in the spring semester and enroll in a 3 unit reading and writing intensive course: GRAD 492: *Directed Research*, Tuesdays and Thursdays, 8:00 am to 9:15 am (no exceptions).

SUMMER 2017: Students work with a UA faculty mentor on a small scale research project in their field of study. They also complete a written research report, research poster, and oral presentation; are paid a \$4,000 summer research stipend; complete GRE preparation and testing; and have their research abstract published in the UROC Abstract Review. Students receive 6 units of paid academic credit. A full-time commitment to all activities is expected, so summer courses and jobs are not allowed (no exceptions).

FALL 2017: Students are registered for a 1 unit graduate school preparation course. They are expected to complete and submit applications to graduate school. For fall, all students must attend GRAD 496A: *The Graduate School Application Process*, Fridays, 3:00 pm to 4:30 pm (no exceptions).

UROC-PREP and STAR are year-round undergraduate research and graduate preparation programs for underrepresented students interested in graduate education (Master's or PhD)
